

Commission To Begin Study Of Bi-County Needs

About 100 persons who are members of 12 sub-committees which make up the newly-formed Southwestern Illinois Area Study Commission were on hand Tuesday night at the Collinsville high school library for a general briefing on work which lies ahead of them.

The commission's task is the summarization of a wide variety of needs in the Madison-St. Clair counties area through study of bi-county problems that way from land use to pollution.

The sub-committee reports are due Nov. 15, with the commission to report its overall findings and recommendations to the Illinois General Assembly by Jan. 15.

Pleased With Turnout
State Representative Paul Simon (Dem. Troy), who is general chairman of the commission and who presided Tuesday night, termed the turnout "excellent."

"I think the sub-committee chairmen and members have an excellent background on the total picture," he added.

There are no plans for a meeting of the group as a whole before next Nov. 15, but Simon said the individual sub-committees probably will get together several times in the meantime to coordinate their efforts and progress reports.

Eighteen Quad-City areas are among those named to membership on the various sub-committees. Seven of that number were present Tuesday night.

The 12 areas of study and the corresponding sub-committee chairmen are:

Air pollution, Rev. William Warner of East St. Louis; recreation and conservation, Leonard Schwartz, Edwardsville; sewers and water supply, Charles Sheppard of Alton; housing, Harry Hemphill of East St. Louis; land use, Leo Obermeyer of O'Fallon; education, Dr. Clarence Stephens of Edwardsville; highways and transportation, Harry Kluge, Edwardsville; hospitals and health services, Dr. Hubert Allen of Alton; economic development, Kenneth Johnson of East St. Louis; governmental finance, Leo Cohen of Belleville; and governmental services, Mayor Charles E. Nichols of Belleville.

Local sub-committee members present at the initial meeting were Terry Francis, land use; Carl Rant, Edwin F. Reiske and Dan McGee, highway and transportation; Marion Sparks, governmental services; Henry D. Karandjoff, recreation and conservation; and Cmdr. John L. Barron, economic development.

Madison Rotary Views Film On Loan Companies

At yesterday's meeting of the Madison Rotary club, a program started three weeks ago was continued by Harvey Miller. He showed an animated cartoon film entitled "The Littlest Giant" which was made by the National Consumers' Finance Association. It showed the roles of loan companies, savings and loan companies and banks in the financial life of the community. Program assignments were made for July 25 through Sept. 26. On the latter date, District 646 Gov. Earl Jules of Collinsville will pay an official visit to the club.

The classification committee was asked to compile a list of firms and businesses that might fit into Rotary membership categories and to attempt to fill any such vacancies.

It was the first meeting for the newly-installed president, Alex Schoenhofer, and his administration.

Hood Retires, Moving To Home In Missouri

Curtis C. Hood, who previously resided at 1117 Madison avenue, Madison, has retired from Union Electric Company's Vesper power plant after 17 years of service. He and his wife are moving to Annapolis, Mo.

Hood, who remained at Venice throughout his career, began as a power station laborer in 1945. He also held the positions of power station power station handler, fan tender and unit mill tender, and retired as assistant boiler operator, a post he had held since 1952.

Hood and his wife plan to hunt and fish and may do some gardening at their new home, which is located on 102 acres of ground.

Police Warn Boys On Use Of Air Rifles

Two complaints of boys shooting air rifles were received Tuesday afternoon by Granite City police, who told the boys in the 1900 block of Clark avenue not to shoot any more in the city limits.

Two boys in the 1700 block of State street had been reported as shooting at automobiles. Investigating the complaint, officers found the boys had only a pop gun, not an air rifle.

Arrested As Disorderly

Thomas Herin, 25, of 2825 Marshall avenue, was arrested Tuesday at 3 p.m. in Granite City for disorderly conduct. He posted \$21 bail pending a hearing.

Hire 3 Teachers, 5 Resignations

Hiring of three new teachers for 1962-63 and an extra chauffeur for 15 days were approved Tuesday evening at Granite City board of education meeting.

In other action at the board offices in the Labor Temple, five teachers accepted resignations from the 1961-62 school year. The resignations were: Harold M. Kaiser, who will teach business education; Roger D. Beard, 30, Caseyville, who will teach business education; Miss Wanda Carroll, 26, Black Oak, Ark., who will teach physical education at the junior high level. She has six years' experience and holds a master's degree in education from Arkansas State College.

Resignations were accepted from Norman Hafley, mathematics instructor at Coolidge Junior High; James R. Ray, East St. Louis, social studies-English instructor at Central Junior High; Miss Sarah Robinson, East Alton, business education instructor at GCHS; Mrs. Mary K. Rowden, Granite City, Maryville kindergarten teacher; and Miss Barbara Downing, Granite City, a GCHS home economics instructor.

Hafley will work in industry.

Ray and Miss Downing plan to continue their education. Miss Robinson listed health reasons; and Mrs. Rowden noted family responsibilities.

Hiring of an extra chauffeur for 15 working days, primarily to assist with grass cutting, was approved after a discussion.

Moving equipment is housed at the GCHS-Coolidge campus and custodians may use it there, but chauffeurs move the equipment to other schools when needed and to the moving, it was noted. At the end of the work day, equipment is returned to the starting point.

Board members questioned the necessity of returning the moving equipment at night, pointing out the time and expense involved, but it was explained that only at the high school campus is there adequate housing, and the chauffeurs need transportation back to the starting point.

Employment of Albert J. Batson, 2548 Lincoln avenue, as an assistant custodian was approved.

Park Accepts \$2027 Station Wagon Bid

Granite City park district commissioners accepted a bid of \$2027 on a six-cylinder 1962 station wagon from B. E. Hohl, Inc., during a special meeting yesterday afternoon.

Only one other firm to submit a sealed bid was Brewer Motor Co., whose price was \$2054 for a similar model.

Both bids included all taxes and provision for the trade-in of a 1958 station wagon currently owned by the park district. The commissioners had budgeted \$2300 for the acquisition of a new vehicle.

The new four-door, two-seat wagon will be equipped with standard transmission, spotlight, side-mounted mirror and heater.

New School Blacktop At Lake, Tri-City Park

GCHS, Prather, Niedringhaus

Bids for items ranging from art supplies to blacktop projects were accepted by the Community Unit School District 9 board of education, Granite City, at a regular meeting Tuesday evening.

In other action, the board approved educational and building fund lists, opened bids and approved a special purchase of welding tips.

The board approved letting of blacktop bids totaling \$11,736 to bidders Holland Asphalt Co., \$5209; Modern Asphalt Co., \$5309; and C. B. French, \$2618.

Bids were awarded in accord with low bid to specifications. Board Member Dan Linder called attention to a wide variation in some of the bid amounts, and a discussion led to the decision to accept the quotations as presented.

Installed will be a 70x100 foot area of new blacktop at Lake grade school; a 60x240-foot, plus 120 square yards at the Prather junior high school entrance; a seal and chip drive at Prather; new blacktop at the senior high school; and a 30x63 foot area of new blacktop at Niedringhaus school.

Also included in the projects at Namooki, McKinley, Emerson, Frohardt, Washington and Logan schools; fill, repair and seal work at Mitchell; repair and seal work at Central, Lake, Wilson, Maryville schools; and a circle drive and road repair and seal work at Granite City high school.

After discussion of the fact that only two bids were received

NEWLYWEDS LEAVE FOR NEW MEXICO

Miss Carolyn Jean Smith, 2300 Cayuga street, and Dennis Rigby, 2826 Cayuga street, were married July 6 in St. Louis. They left Monday for Albuquerque, N. M., where he will be employed by his brother-in-law.

The newlyweds are both June graduates of Granite City high school.

The Intermediate Girls Auxiliary met at Second Baptist

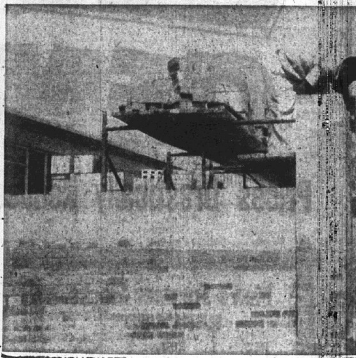

Church Tuesday evening with Pat Ignatz leading the GA song, Watchword and prayer.

Evelyn Barnes led the program, "This Changing World." On the program were Pat Ignatz, Margaret Lizar, Nancy Wigger, Judy Adams, Mrs. Mary Charlton and Jean Anderson. A business session followed and Nancy Wigger gave a report on her visit to the GA camp. Activities for the month were planned.

Dr. Kathleen Jones Primary Sunbeams of Second Baptist Church met Tuesday afternoon. Mrs. Betty Lewis and Mrs. Shirley Mayberry guided the group as it drew pictures. Prayer was given by Mrs. Lewis and a story was told, "God Was Near." Plans were made to buy a box of cookies for a Bible school. Bible quizzes were held, and

AT THE NORTHEAST corner of the school, a steel door frame stands on a concrete floor, testifying to the brick walls which are to come for expansion of the cafeteria. Windows of the existing structure are visible through the doorway, which is propped in place with timbers until walls can be built around it. A multi-purpose athletic room is being added at the northwest.

WALLS GO UP at the southwest corner of Coolidge Junior high, where a bricklayer uses a bubble level to check the accuracy of his work on a new homemaking room. The new sections are being built of materials similar to those used in the original building, so they will complement the structure rather than offer a contrast. Yellow brick is used throughout most of the school's exterior.

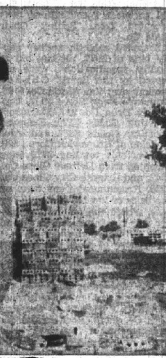

MORE BRICKS ARRIVE at the school construction site and are swung to the ground by the truck's self-contained hoisting equipment. The bricks are unloaded as near as possible to the place where they actually will be used, saving time and labor. A steady flow of ready-mixed concrete and loads of material has been necessary to keep up the pace of construction.

Credit Union, Spengler Win Classic Tilts

Spengler Insurance stayed atop the Classic Softball league here Tuesday night with a 5-2 win over Madison Bowling Club at White Granite City Steel Credit Union moved up to become the first contender for the Insurance with a 3-2 verdict over Moose Club 27-2.

Ray Jones, Bill Crabtree and Jack Scarborough each collected doubles for Spengler, which made eight hits go long way as it beat Jerry Voloksi.

Madison Bowling managed 10 hits off winning pitcher Owen Harrison, but all were singles. Voloksi struck out four, and Harrison one, Spengler led all the way in the contest.

Credit Union outlasted Moose in the second game, but a gift run which scored in the eighth inning on three errors by the Moose infield broke a 2-2 tie and gave Credit Union the victory.

Winner Jack James fanned eight and gave up four hits, while Neal Melton, the loser, was struck out six and safeties and struck out one. Fred Cavena of Credit Union had the game's only extra-base hit, a double.

This club took over sole possession of second place, one game back of Spengler.

The Classic league standings:

Makeup Games Set In Madison Khoury League

Two rain-outs in the Madison Khoury league will be played tomorrow night. The league's recreation director, Bob Page said today.

At third street, a Midget division makeup will pair the St. Mary's Vikings and the Scorpions, while the St. Mary's Angels and Madison Police Department will play a Bantam contest at Second street.

Park Boys' Baseball Squads To Play 3 1/2-Inning Games At Busch Stadium

Five all-star squads from among players in the Aton, Bantam and Midget divisions in the Granite City park district's boys' baseball program have been named to play in 1962 Khoury league exhibition contests at Busch Stadium in St. Louis on Saturday, July 21.

The squads, made up of 11 players each, will play only 3 1/2 innings, and each representative team of their own age or other Khoury league zones in the Greater St. Louis area, which means that managers will have to do some quick juggling if they are successful in getting all members of their clubs—especially pitchers and catchers—into the contests.

In a complicated balloting system which insures that every team in every league represented will have at least one player named to the all-star roster, the Greater St. Louis area in the Dixie Dean and Salty Parker leagues of the Aton division, Ty Cobb and Owen Friend leagues in the Bantam division, and Smoky Padgett league in the Midget division.

The Salty Parker all-stars will play a representative team from the Dixie Dean league at 1:30 p.m. July 21 in the right field corner at Busch. When the two clubs have completed 3 1/2 innings of play, the Dixie Dean squad will finish up against another Midway-Edgemont all-star club.

The Bantams play in right field at 3:30, with the Ty Cobb club going the first 3 1/2 innings against a team from St. Louis Khoury Zone 1, and the local Owen Friend stars playing the second half of the game.

At 5:30 in left field, the Smoky Padgett selections will play a club from St. Louis Zone 1 for 3 1/2 innings. Two other St. Louis area clubs will finish the contest.

Admission to the contests will be \$1 for adults and 50 cents for children over five. Entrance is by the Spring avenue gate.

The all-star rosters:

Aton division, Dixie Dean league—Nelson Hagauer, Mike Owen Friend league stars.

Bantam division, Owen Friend league—Jim Becker, Roger Bess and Gary Simpson of Seabold Concrete; Eddie Milton, George Banz and Mike Hagauer of the Western Auto Hawks; Mike McMillan and David Taylor of Tarjoff Packers 6, GC Kivans 3, WP: John Berossy, struck out 12.

Western Auto Hawks 14, Barker Trucking 1.

Juvenile, Doc Coleman Daybreak Optimists 13, Maryland B-Rite 3.

Carpenters' Local 6, Rocketts 2.

WEDNESDAY

Aton, Dixie Dean league—Sacred Heart Hawks 11, St. Elizabeth Pirates 3, WP: Nip Hagauer.

Hornets 13, St. Joseph Bluebirds 10, WP: Terry Ripke, Grand slam home run by Kim Gaenen. Local 30, Eagles 5, WP: Kurt King.

Air Products, Dow Hang Up Industry Wins

Air Products and Dow Metal Co. continued their neck-and-neck race for first place in the YMCA Industrial Softball league last night at Lee Park in Venice.

Both posted their fourth victories of the season, Air Products topping Modern Furnace 5-2 in the first game, and Dow following with an 11-0 whitewash of Union Star & Refining Co.

Bob Page tossed a three-hitter in the first game, while Frank Laub's double the only extra-base hit managed by the losers.

Bill Duncan tripled for the only extra-base blow off losing pitcher, Jerry Voloksi, which was touched for five hits.

Air Products scored twice in the third and had two-run first and fourth innings. Modern Furnace managed single strikes in the fourth and six frames.

The three-run pitching of Tony Schipkowski and a three-run homer in the fourth inning by Howard Silas were all Dow needed to deal Union Star's seventh straight setback in the second game.

Dow scored five runs in the third and had two-run first and fourth innings. Modern Furnace was called after five innings.

Silas also picked up a double and Ed Devany tripled for Dow, which totaled 11 hits off losing pitcher Owen Harrison.

The Industrial league standings:

Team	W	L	Pct.
Air Products	4	1	.800
Dow Metal	4	1	.800
Union Electric	3	2	.600
Modern Furnace	2	3	.400
Union Star	0	6	.000

Alt-Wood Team Adds To Lead With 14-0 Shutout

Alt-Wood Fuel blanked VFW Post 1300 by a 14-0 score last night in 35-Pin Slow Pitch Softball league play at Wilson Park, running its unbeaten skid to seven games.

In the evening's first game, Club Delmar stayed in the running by pounding out 15 hits to subdue GC Trust Bank 11-5.

Alt-Wood, totaling 21 hits, again used the long ball to post its second shutout of the season. Nick Bogovich led off the first inning with an inside-the-park homer, and in the third inning Bob Dant and Rufus Ketter hit back-to-back homers.

Winning pitcher Paul Thompson silenced Post 1300 on only four hits, all singles. The VFW club could not advance a runner past second base.

Starter and loser Ed Camper was touched for six hits and four runs in the first inning. Ketter had 11 total bases for the evening, as he connected for a triple and two doubles in addition to his home run. Dant added two doubles and a single to his round-tripper.

Rudy Elmore tripled to open the game for Club Delmar, and by the end of two innings the winners had seven runs on as many hits and enough of a cushion to win. Delbert Coy drove in three runs for Club Delmar with a single and double.

Winning pitcher Harold Schmitz led Tru Bank to seven hits, four of which came during a four-run rally in the fifth which began when John Allen blasted a leadoff homer. Olie Jacobsmeier, who allowed 15 hits, was the losing pitcher.

The name of one member of the Sunset Hills country club living team who placed in last Sunday's AAU meet at the country club pool was omitted from a report of the results in Monday's issue. She was Debbie Byers, who placed fourth in 12-and-under one-meter diving.

Hollis Wins Speedway's Feature Race

Dave Hollis of Granite City, who set a new lap record early this week at the Springfield, Ill. stock car oval continued to perform consistently as he captured a special 50-lap feature race for super modified stock cars Tuesday night at the Tri-City Speedway here.

Hollis edged Ray Dettman and Art Pauley, who finished 2-3, respectively, in what was a tune-up for a 150-lap mid-season national championship race which will be run next Tuesday at the speedway.

Louis Jantzen won Tuesday's fender feature, and Pete Oster took advantage of a flag lap collision between two front-running cars to grab the amateur feature race.

Wib Spaulding, another local driver expected to be a top contender in the championship race next week, won the modified handicap for the evening's six fastest qualifiers.

Modified heat winners were Chuck Kornwald and Dettman. Bud Purcell and Bob Morrow took amateur heat races and fender events went to Jantzen and Clayton Landon.

Restaurant Owners Ask Union To Delay Request

A request by local restaurant owners that Cooks and Waitresses Union Local 461 postpone requests for a pay increase until after next Jan. 1 is currently under consideration by the union.

The request was presented at a negotiating session at the labor Temple Tuesday night. The union has asked a five-cent hourly pay increase under a wage opening clause in the current two-year contract.

The union membership last week approved a strike if negotiations fail. Local 461 represents about 200 cooks and waitresses employed in some 45 local restaurants.

Tuesday's meeting was the first since the strike vote was taken. Mrs. Helen Peters, 2432 Devey avenue, is business agent for the union. Virgil Simpson, head of the Restaurant Owners Association.

Participation In 'Y' Program Sets Record In June

The local YMCA's summer recreation program is proving attractive this year—to the tune of some 10,887 enrollees listed there during the month of June.

The attendance figure necessarily includes some duplications—an individual participating in more than one activity—but an expanded program has resulted in record participation so far, according to YMCA General Secretary C. A. "Bud" MacMillan.

Forty-five separate classes for boys and girls of all ages—and adults, too—are being offered during the second portion of the summer program.

All of them currently are accepting enrollments. Included are swimming, wrestling, archery, weight training, judo, fencing, dancing, arts and crafts, badminton, table tennis, gymnastics and recreational games.

Additional information on all classes is available by telephoning the YMCA.

Varied Scholarships By Nameoki Woman's Club, Federation

Two area students will attend summer workshops and another will further her college education through the aid of the Nameoki Woman's Club and the 22nd district, Illinois Federation of Women's Clubs.

The students are Miss Reba Ann Humphrey, studying music education at the University of Illinois, where she will hold a scholarship grant from the 22nd district; Miss Nancy Williams, who will attend a summer art workshop; and Daniel Forquison, who will attend a summer conservation workshop. Daniel Lapinski attended the art workshop last summer.

In the past two years, the club has contributed \$500 toward local, district and state Federation of Women's Club scholarships, as well as national and international aid as part of the General Federation of Women's Clubs.

The Nameoki club lists as its objectives "the promotion of common interests in education, philanthropy, public welfare, moral values, civics and fine arts." The local group was organized in August 1953 and was federated in October of that year.

As a member club of District 22, the local group makes voluntary contributions to district projects as well as participating in occasional district-level fund-raising efforts.

Some projects which the club supports voluntarily at the district, state and national levels are donations to Care, to Boys' Town of Illinois and Park Ridge School for Girls, to Radio Free Europe and to the Madison County Mental Health Association.

A major portion of the club and Federation's efforts are concentrated in scholarship work, including stipends for American Indian students and South American students.

Specifically, the local club has sponsored the Nameoki Woman's Club special scholarship for advanced studies for two years, as well as sponsoring a student to art camp and—for the first time this summer—to a conservation workshop.

Miss Humphrey, daughter of Mr. and Mrs. Owen Humphrey, 2127 Cleveland blvd., will be a junior student in music education at the University of Illinois, Champaign-Urbana. She will hold one of two scholarships given by the 22nd district, Illinois Federation of Women's Clubs, and is a two-time winner of the local organization's special scholarship. She was chosen on the recommendation of school authorities.

Forquison, son of Mr. and Mrs. Garret E. Forquison, 2336 Clark avenue, has been awarded a Club special scholarship by the local group to a conservation workshop at Southern Illinois University, Carbondale, July 28-Aug. 2. He will be a junior at Granite City high school in the fall.

Miss Williams, daughter of Mr. and Mrs. James I. Williams, Jr., 129 Riviera drive, will attend the Federation Art School July 28-Aug. 4 at Allerton Park, Monticello, under sponsorship of the local club. She will be a senior at Granite City high school.

Lapinski, son of Mr. and Mrs. James Lapinski, 2355 Iowa street, attended the Egyptian Art Camp, DuQuoin, for a week during the summer of 1961, under sponsorship of the local organization. He graduated from GCIS in June 1962.

Art camp students are chosen with the advice of the local art instructor, and 4-H authorities aid in selection of the conservation workshop delegate.

CONGRATULATIONS are extended to Illinois Federation of Women's Clubs 22nd District scholarship winner, Miss Reba Humphrey (picture at left).

Shown (left to right) are the retiring club president, Mrs. Leo Schermer; retiring 22nd district president, Mrs. Eldon R. Orr, Alton; Miss Humphrey; district scholarship chairman, Mrs. Claude Knapp, Belleville; and club scholarship chairman, Mrs. Frank J. Seiler.

If the photograph at right, Nameoki Woman's Club officials join Miss Humphrey, a two summer workshop students sponsored by the club. From left to right are Mrs. Seiler; Miss Humphrey; Daniel Forquison, who will attend a conservation workshop at Southern Illinois University, Carbondale; Miss Nancy Williams, who will attend art workshop at Allerton Park, Monticello; and Mrs. Schermer.

Unable to be present were the club conservation chairman, Mrs. Joseph Grant, and the club president, Mrs. Wilford Cooley.

4th Youth Held In Robbery, Tavern Hearing Scheduled

The fourth member of a group of five Venice youths who allegedly robbed a Granite City Engineer Depot soldier has been arrested. Police picked up Freddie Barnes, 22, of 1132 Market street Monday afternoon.

He is held on suspicion of armed robbery along with Predester Aaron, 18, of 46 Lee Wright Homes, Johnnie Burt, 20, of 805 Jackson street, and Ronald Allen Brown, 20, of 903 Bissell street.

It is alleged that the group met Pvt. John Jackson, 20, in the Village tavern and that after drinking together they left about 6 a.m. Sunday, July 1. The group drove to a spot on Broad road, where Jackson was robbed of \$80 after being threatened with a shotgun, a pistol and a knife.

The fifth youth still is being sought by police. Burt is still in jail. His bail was set by Magistrate William Traband at \$5000. Barnes also is in jail awaiting arraignment.

Aaron and Brown both are free on \$5000 property bonds. A show cause hearing has been scheduled for today by the county liquor commission after the Village tavern was cited for violation of closing hours and selling to minors.

FOUNDATION IS POURED at the construction site of a new warehouse addition of the Johns-Manville Products Corp. plant in Venice. The addition, paralleling Bissell street, is designed to facilitate ease of handling and storage of the plant's roofing products, also will speed shipping of materials both to and from the plant. Some office space will be provided in the new section.

Reach No Agreement On New Drivers' Contract

No agreement was reported today between local furniture store operators and delivery truck drivers and helpers, who have set Monday as a strike deadline if contract negotiations fail.

Associated Retailers Executive Director Alvin T. Barnes Jr. said store operators are awaiting results of a meeting of Alton store owners before taking further action. Membership in Local 525 of the Teamsters' Union includes both Quad-Cities and Alton area workers.

Two Treated Wednesday At Emergency Room

Receiving emergency treatment at St. Elizabeth Hospital Wednesday were Mark Gragel, house, five, and John Petrosky Jr., 19.

The Gragel house boy, son of Mr. and Mrs. Oscar Gragelhouse, 444 Lincoln avenue, Venice, was treated for a dog bite at 9:20 p.m. Wednesday and was released.

Petrosky received x-rays at 5 p.m. Wednesday after slipping and striking his head on concrete. He was released.

Miss Pontarelli To Wed Dr. John Joseph Phillips

Mr. and Mrs. Edward Pontarelli of Gary, Ind., and Bar Harbor, Fla., are announcing the engagement of their daughter, Anita Claire, to Dr. John Joseph Phillips, a son of Mrs. James S. Flagg of Collinsville, formerly of Granite City, and the late Dr. John H. Phillips.

Miss Pontarelli is a graduate of Northwestern University School of Speech and is a member of Alpha Phi sorority. Dr. Phillips was graduated from St. Louis University high school and St. Louis University School of Medicine. He is now serving his internship at St. John Hospital in St. Louis. He is a member of Phi Beta Psi medical fraternity.

The wedding is planned for Sept. 8. Dr. and Mrs. Phillips will reside in St. Louis.

MRS. TRIJANI RETURNS FROM EUROPEAN TOUR

Mrs. Frances Trijani, 1034 Washington avenue, has returned from a vacation of five weeks in Yugoslavia and Italy. She made the trip with a tumburized band from Duquesne University in Pittsburgh, Pa., and the party toured the two countries, presenting concerts in various places.

They were met in Zarech, Yugoslavia, by a military escort, and Mrs. Trijani and Mrs. Walter Solar, director of the band, were presented with bouquets.

In Rome, the party had an audience with Pope John XXIII. In Yugoslavia, Mrs. Trijani visited her birthplace and spent some time with her sisters and other relatives.

Young People's Group Presents WSCS Program

Mrs. Lois Lester, secretary of the program Tuesday evening at a general meeting of the Women's Society of Christian Service of Netherland Memorial Methodist Church held in Wesley Hall.

The program, given by the young people of the church, consisted of prayer by Miss Olive Frohardt; a report of the junior church camp at McKendree College in Lebanon given by Miss Rita Cathey, who attended; and two solos by David West: "Oh What A Beautiful Morning" and "You'll Never Walk Alone," accompanied by his mother, Mrs. Russell West.

Mrs. Lester read a report prepared by Miss Linda Henley on her trip to Washington, D.C., and the United Nations with 26 other young people from the Southern Illinois Conference earlier in the summer, and Mrs. Lester explained her work as student work secretary and told of her correspondence with 36 young people in college, four working away from home and three doing graduate work, all being members of the church.

Mrs. Minnie Frohardt presided over the business session, and refreshments were served by the Esther Circle, headed by Mrs. Earlene Miller, chairman.

Clp. Taylor In Japan With Aircraft Group
Marine Lance Cpl. Robert C. Taylor, son of Mrs. Georgina S. Teller, 2132 Adams street, has reported to Marine Aircraft Group 11 at the Naval Air Station, Atsugi, Japan.
The air group is a unit of the First Marine Aircraft Wing. It provides aerial support for the Third Marine Division on Okinawa in its field exercises and training operations.
Vandals Leave Flat Tires
Vandals went on a spree of valve-stem stealing early Wednesday. Three motorists on Saratoga avenue found flat tires on their autos as a result. Stems were taken from the tires of autos owned by Larry Doty, Frank Finezo and Ephraim Adams, all of the 2701 and 2800 blocks of Saratoga. The thefts are believed to have occurred after 2 a.m., at which time one of the cars had been parked.

Satellite Expected To Aid Local Communications

A small satellite hundreds of miles in outer space, sending test signals to earth, will lead to better communications services for Quad-City residents, George Mouze, local telephone manager, reports.

The satellite, Telstar, is the Bell Telephone System's pioneer in the new frontier of space communications. The tests will help pave the way for a world-wide satellite communications network to send overseas phone calls, live television and other signals.

The satellites will receive and re-transmit signals, much as overland microwave systems do in today's long distance calling. Telstar was successfully launched this week from Cape Canaveral by the National Aeronautics and Space Administration, which is cooperating with the Bell System in the experiments. The Bell System will repay NASA for the Telstar launching costs, about \$3 million. Quad-City television viewers will have opportunity to see Telstar's work first hand in a series of live telecasts planned between this country and Europe.

Agriculture Dinner Sept. 19

Chamber Of Commerce Adds 60 New Members

Sixty new members were enrolled in the Tri-Cities Chamber of Commerce as a result of the June membership drive, it was announced Tuesday night.

Chester L. Baker, vice-president in charge of membership, said he was gratified with the results. He made the report at a monthly dinner meeting of the board of directors of the chamber, held at the Rose Bowl restaurant. Twenty-seven directors attended.

Howard W. Kaseberg, chairman of the agriculture committee, announced that Wednesday, Sept. 19, has been set as the date of the annual Business-Industry-Agriculture dinner. Further details of the event will be announced soon. He said negotiations are being concluded to obtain a nationally famous writer-lecturer on agriculture-conservation matters as guest speaker.

C. E. Townsend, chairman of the industrial development committee, reported that the industrial development brochure being prepared by his committee now is in the final editing stages. It is the most comprehensive survey of the area's facilities and resources and is designed to provide information of interest to prospective industries. It will consist of more than 100 printed pages.

It was announced that the \$6000 goal had been reached to finance the coming Mexican tour of the Coolidge junior high school Latin American en-

sembles. N. R. Brink, chairman of the program committee, reported that the recent "play day" outing was successful from every standpoint. He said his committee now is making plans for the Chamber's annual membership meeting, to be held in the latter part of October. Arrangements are being made to obtain a speaker.

G. W. Hoelscher, chairman of the sewerage and drainage committee, reported on the spinning election on a proposed \$100,000 bond issue to finance drainage sewers and a sewage treatment plant in Granite City. He said a committee is being formed to inform citizens about the issue and urge support for the proposal.

President Paul H. Lichtenthaner reported on a meeting of the Metro East Chambers of Commerce held at East St. Louis Monday night.

He also appointed a nominating committee of five members to prepare a slate of 15 candidates for three-year terms on the board of directors of the chamber, to be elected at the board Thursday, Sept. 13.

The committee will be headed by Arthur Buehler, who will be Arthur Buehler, William Brockus, G. W. Hoelscher, C. E. Townsend, and Van Stee. The resignation of E. E. Van Stee of Dow Metal Products Co. was accepted. Van Stee is being transferred to another area by his firm.

GOP Committee Maps November Campaign

Local Republican party leaders who attended a meeting of the Madison county central committee at Wood River last night said today plans were discussed for a "hard-hitting" campaign in the November election. Charles Barnett, county GOP chairman, headed the meeting, introducing 10 area candidates. Also attending the session was Perry Scott, area representative for Sen. Everett M. Dirksen.

Candidates present outlined their platforms and discussed plans for campaigning in the coming general election. A party official said all candidates expressed optimism concerning GOP possibilities.

Among candidates present were Ralph Smith and M. G. Schuette, for 3rd district representative; Harold Guillian, for state senator and from the 57th district; Dr. Kurt Glaser, for representative in Congress, 3rd district; Dale Hyle, for county judge; Robert Byrne, for county clerk; W. H. Gehring, for probate clerk; John F. Webber, for county treasurer; and William C. Straube, for sheriff.

Zoning Appeal Meeting

Chairman Glen Hollis said this morning that the city zoning board of appeals will meet at 1 p.m. Saturday in the city council room at city hall to hear zoning appeals which have been properly prepared.

REV. CALVIN MARCUM, pastor of the Nameoki Presbyterian Church for the past seven years, who has accepted a pastorate at First Presbyterian Church in Aurora and will leave July 30 with Mrs. Marcum and their three children to take up his new duties.

Rev. Marcum Accepts Call To Aurora Church

Rev. Calvin M. Marcum, pastor of the Nameoki Presbyterian Church since Oct. 1, 1955, has accepted a call to the pastorate of First Presbyterian Church in Aurora, Ill., and with Mrs. Marcum and their children, Gwladys, Donald, seven, and Stacy Lynn, two months old, will move to that city July 30 to assume his new duties Aug. 1.

Rev. Marcum was the first installed pastor of the Nameoki church and this was his first pastorate after graduation from Seminary. He had served student pastorates in Matthews, Ind., and Dalton City and Macon, Ill. "The Rev. Robert Chapin, former pastor of the Mitchell Presbyterian Church, organized the Nameoki church under the National Missions Committee of the Alton Presbytery and served as stated supply minister until a full-time minister was called."

318 Members
Since the founding of the local church in May 1948, 435 persons have united with the congregation, 292 during the pastorate of Rev. Marcum. The present membership is 318.

During this time, the chapel of the church building was remodeled, pews were added, the sanctuary was air-conditioned, an addition was built—doubling the size of the church building—a new manse was built and a new office was built for the pastor.

In November of this year, the debt on the new church building will be retired. The manse, valued at \$22,000, has about \$3000 indebtedness. The church rents the Nameoki grade school new door to house the Bible school for children.

Head of Association
While in Granite City, Rev. Marcum has served as president of the Tri-City Ministerial Association, chaplain of the Granite City Squadron of the Civil Air Patrol, and president of the Tri-Cities United Fund board of directors.

At the present time, he is Moderator of the Alton Presbytery, a member of the Christian Education committee of the Presbytery, chairman of Church and Society committee of the Presbytery, a member of the Tri-Cities Chamber of Commerce board of directors, a member of the executive committee of the Tri-Cities United Fund, a member of the Optimist club and a member of Masonic Lodge 877.

Mrs. Marcum has served as president of the Quad-Cities Church Women and has just completed a term as president of the Maryville School PTA. She was awarded a life membership in PTA by the Maryville school and has been active in the work of the local church, holding various offices.

Rev. Mace Named
Alton Presbytery has appointed Rev. Manley Mace, pastor of First Presbyterian Church in Wood River, to act as Moderator while a new pastor is being sought for that church here.

The church in Aurora to which the Marcums will go has about 900 communicant members and a Sunday school enrollment of 689. Rev. Marcum's predecessor, the Rev. Robert G. Givens, joined the Presbyterian Ecumenical Mission and will be working with a 100,000-watt radio station in Cairo, Egypt.

The Aurora church has a 30-minute radio broadcast every Sunday morning. In addition to the pulpit ministry, Rev. Marcum will be reaching thousands of homes in the greater Chicago area. This radio ministry has been in operation many years.

Club Discusses Boat Meet
Nineteen members of the Granite City Kiwanis club attended the weekly dinner meeting Monday night at the Elks club. There was no program. The usual program time was allotted to Merilyn Hiscott, who made a report on progress of advertising sales for boat races to be sponsored by the Kiwanians and Bow-Line Boat club.

200 May Attend Annual Webelos Day At Potosi

As many as 200 from this area may attend Webelos Day, a father-and-son event at Camp Sumner, Potosi, Mo., Saturday. It is the second annual event for Webelos, boys 10½ years of age who have completed their Lion rank requirement as Cub Scouts and are working on the requirements for the Boy Scouts. It will be their introduction to the Boy Scout camp. They will observe demonstrations by Boy Scouts and take part in cooking, knot tying, boating, rifle range, archery and other activities. They will cook their noon meal and visit the nature museum. It is expected that between 80 and 100 boys will attend, Eugene

Coe, scout executive, said, and each boy must be accompanied by an adult. The fee is \$1, which covers the cost of the noon meal. Transportation will be arranged privately by each participating cub pack.

Depot Ceremony Honors Retiring Army Officer

Retreat ceremonies at 3:45 p.m. today at the Engineer Depot will mark 28 years of active Army service by Col. Donald L. Durfee. He is commanding officer of the St. Louis Area Support Center, Twelfth Blvd. and Spruce street, St. Louis. A West Point graduate of 1934, he will retire July 31. His home is at 11720 Denny road, Sappington, Mo.

Local Industries Petition Court On FPC Gas Rulings

A group of Quad-City and other area industries yesterday filed a petition with the U. S. Court of Appeals in St. Louis asking that a Federal Power Commission order reducing their supplies of natural gas be stayed. The petition, filed by nine firms, charged the FPC with "taking natural gas from one class of customers, the direct industrial, which are purchasing it under valid contracts, and giving it to another class of customers, namely the utility applicants for service which has not yet been initiated."

The FPC orders, issued earlier this year, would change allocations of gas delivered by the Mississippi River Fuel Corp. of St. Louis, effective Oct. 1. The industries' petition states the order would reduce by more than half the amount of natural gas they presently purchase directly from the transmission firm.

Possible Shutdowns Under the FPC order, 24,608,000 cubic feet of gas daily would be allocated to industrial customers. The industries say this is only 40.2% of the needed amount and such a reduction would result in decreased production and possible plant shutdowns.

The petition asks the court to stay the effective date of the FPC order and review the commission's action. It also asks the court to remand the case to the FPC for a new decision.

Industries filing the petition were Granite City Steel Co., American Steel Foundries, Dow Metal Products Co., Laclede Steel Co., National Lead Co., American Zinc Co. of Illinois, Olin Mathieson Chemical Corp., Pittsburgh Plate Glass Co. and C. K. Williams & Co.

Mrs. Addie Hopkins Dies In California

Word has been received here of the unexpected death July 4 in Long Beach, Calif., of Mrs. Addie Hopkins, 62, a former Granite City resident. Funeral services and burial were at Long Beach July 7.

(Mrs. Hopkins is survived by a son, Clark Sowell, of Long Beach; two sisters, Mrs. Ida Peters of St. Louis and Mrs. Harry Gates of Los Angeles; two nieces, Mrs. Clarence Richardson of Pekin and Mrs. Margaret Diamond of Granite City; and a nephew, Emmet Carragher of Granite City.)

Warning To Mow Weeds

A warning was issued this morning to Granite City property owners to mow their weeds and tall grass. Warrants are to be served beginning next week to those whose weeds are too high. City Inspector Jack Frickler said.

June Expenses Down For Local Red Cross

June proved to be a quiet month for the Tri-City Chapter of the American Red Cross, according to a report of financial assistance made at the board of directors meeting Tuesday afternoon. Mrs. Ruby H. Overbeck, chapter executive secretary, said the \$375 given in financial assistance last month was unusually low. She reported 156 financial assistance and home service contacts during the month, 49 of which were for Engineer Depot personnel.

Major portion of the business meeting was devoted to a discussion of the decrease in the chapter's allotment from the United Fund. No formal action was taken on the matter. Mrs. Overbeck said 54 of the home service contacts made during June required counseling.

four required financial assistance and four others required transactions. Among the Depot calls, she reported 12 involved emergency leaves for military personnel and four involved extensions of existing leaves.

Romann, Walker Named In Local ASCS Voting

Community representative elections were held for Chouteau township and Nameoki and Venice townships Tuesday night by the Agricultural Stabilization and Conservation Service, with three committeemen and two alternates named in each election. For Chouteau township, Otto Romann was re-elected as committee chairman and Ralph Hickles, wife of Irl L. Hickles, 64 North Williams street, Third committee member elected was Clifford Lausch, with Edward Brockman Jr. and Richard Bauer named as alternates.

In the Nameoki-Venice township election, Roy Walker was re-elected as chairman and Louis Strackeljohn was named vice-chairman. Homer Bruns was named committeeman, with Robert Strackeljohn and Donald Bunselmyer as alternates. Community committeemen serve one-year terms, with chairmen serving as delegates to the county ASCS convention. The local representatives assist in administering ASCS farmer benefits and make recommendations to the county office.

Services Held Tuesday For GC Woman's Mother

Services were held Tuesday at Bethalto for Mrs. Lena Hicks, 68, mother of a Granite Cityan, Mrs. Louise Youngberg. Mrs. Hicks, wife of Irl L. Hicks, 64 North Williams street, Cottage Hills, died at Wood River Township Hospital at 8:30 p.m. July 7. She had been in failing health for two years.

Court Official Cites Gains In Local Circuit

While the Madison-Boulevard Third Judicial Circuit ranked sixth in size of its backlog of cases for jury trial, it completed more jury trials in 1961 than any other downstate circuit, with a single exception. A report made Monday by the Illinois Supreme Court by Albert J. Harno, Illinois court administrator and former dean of the University of Illinois Law School, included the comment, "This is a commendable achievement."

He noted that the Third Circuit showed a net gain in "currency," indicating progress in reducing pre-trial delays. A one per cent loss of currency of non-jury cases in the two-county circuit was more than offset by a three per cent gain in currency in jury trial cases, the report said.

Granite City PRESS-RECORD Thurs. July 12, 1962 Page 13

The record of the Third Circuit "speaks well for the master calendar procedure in effect in populous Madison county, where by cases are tried in the order filed unless there are compelling reasons for a continuance," Harno noted.

Local Firm Chartered By Secretary Of State

A charter was issued Monday by the Illinois Secretary of State's office to Stone Brothers Co., 1412 Twentieth street. The company is authorized to buy, sell or otherwise deal in consumer goods, jewelry, articles of clothing, luggage, home appliances, home furnishings and hardware. The firm issued 50,000 shares non-par value stock, held by Marvin Radloff, Margo Radloff and Terry W. Francis, the correspondent.

SAND PRAIRIE 4-H GROUP MEET

The Sand Prairie 4-H group held its weekly meeting Tuesday afternoon at the home of the leader, Mrs. Paul Staydhar, 2713 Washington avenue.

Donna Staydhar led the group in the pledge of allegiance to the flag, and Carol Ann Biggs led the pledge to the 4-H flag.

A demonstration was given by Norma Throne on how to feed a baby and, later, Kathy Crawford demonstrated how to stitch.

The girls started to make skirts this week, and on Friday of next week the Sewing and Farm Bureau Building. The 4-H units are sponsored by the Home Extension Association, which has three units in Granite City.

Marcia Barnett was co-hostess with Mrs. Staydhar and served cupcakes that she had made as part of her cooking project.

Games were played under the instruction of Kathy Crawford, and the prize was won by Carol Ann Biggs. The next meeting July 17 will be in the Staydhar home, with Joanne Travis in charge of recreation and Donna Staydhar as co-hostess.

SOCIETY

College of Regents Holds Chapter Night

Members of the College of Regents of the Women of the Moose held their chapter night program last night at the Moose home.

Senior Regent Maxine Little was the presiding officer and the program was given by members of the College of Regents headed by Mrs. Iris Chastain, chairman. Others taking part were Mrs. Margaret Frommberger, Mrs. Lulu Gundlach and Mrs. Emma Laird.

Mrs. Jane Lynch of Edwardsville Chapter 82 was the speaker of the evening. She was accompanied by two co-workers, Mrs. Clara Morrison and Mrs. Luella Leitner.

Prizes were won by Mrs. Pearl Griffin and Mrs. Chastain, and the "white elephant" went to Mrs. Edna Bardley. There were special gifts for Mrs. Mary Murphy and Mrs. Rose Halbert, each of whom sponsored five candidates.

Forty-six were present at the meeting, and plans were made for the next meeting July 25.

Aid Projects Discussed By Legion Auxiliary

The Auxiliary of American Legion Post 113 met last night at the Legion home, with Mrs. Kitty Morris presiding.

During the business hours, plans were made to assist in needy veterans' family and other projects were discussed. Prizes in the games were won by Mrs. Mildred Rees, Mrs. Dorothy Best, Mrs. Anna Lee Beyer, Mrs. Carmen Troth, Mrs. Henrietta Schmidt and Mrs. Morris. The special award went to Mrs. Lucille Cooper.

Bridal Shower Honors Miss Barbara Ryan

Miss Neida Ingram, Miss Pat Johnston and Miss Diana Hillen were hostesses Monday evening at a personal shower honoring Miss Barbara Ryan, who is to be married July 21 to Robert Harris.

The party was held at the home of Miss Hillen, 2125 Richmond avenue, and large white bells and a bride and groom centerpiece on the gift table carried out the wedding theme.

Refreshments were served and prizes in the games were won by Miss Ida Guitler, Miss Barbara Horn, Miss Carolyn LeGrand, Miss Karen Reiske, Miss Pat Toth and Miss Donna Ward. Others present were Miss Evelyn Arbeiter, Miss Kitty Reither, Miss Mary Ann Ryan, Miss Carol Jean Tessary, Miss Bobbie Verbeck of St. Louis, Mrs. Evelyn Arbeiter, Mrs. Edith Ryan, Mrs. Shirley Scaturro and the honoree.

Two From Housing Board Confering In Chicago

Walter Pfaff, board chairman, and David Morgan, executive director of the Granite City Housing Authority, left today for Chicago to confer with Public Housing Authority officials on the 100-apartment housing project for the elderly being built here. They plan to suggest minor additions and changes for the project, including closet door specifications.

Plans for the trip were completed during a monthly housing board meeting last night at which Morgan said underground utility work is far advanced, enabling concrete floor slabs to be poured. Work along is progressing rapidly on wall sections to be erected for the apartment buildings, he said.

Cereal Flecked Gems

Oatmeal Nut Muffins are really gems—as hot bread or dessert.

Oatmeal muffins are an old-fashioned treat, and the old-fashioned term "gem" is a fitting name. Try a light sprinkling of sugar over the tops as you take them from the oven, and make these muffins a dessert children will love. For grownups, serve a side portion of cream cheese and whole strawberry jam—offer iced tea or coffee. The only mixing secret—mix just until the dry ingredients seem moist—do not beat. Oatmeal makes this type of hot bread richer in nutrients by adding its own whole grain protein, B vitamins, thiamine, riboflavin, niacin, and essential minerals.

Oatmeal Nut Muffins
1 cup sifted all-purpose flour
3/4 cup sugar
3 teaspoons baking powder
3/4 teaspoon salt
1 cup rolled oats, quick or regular
1/2 cup chopped nuts
1 cup milk
1 egg, beaten
3/4 cup melted fat or cooking oil
Sift flour, sugar, baking powder, and salt into mixing bowl. Add rolled oats and nuts; mix well. Combine milk, egg, and fat or oil; pour into dry ingredients. Stir just until all particles are moistened. Spoon into greased muffin pans (2 1/2 x 1 1/4 inches). Bake in hot oven (425°) until lightly browned, 15 to 18 minutes. Yield: 12 medium muffins.

4 Sanitation Trucks Sold By City, 3 Left

Sale of four city sanitation trucks was approved Monday night by the Granite City council after a discussion on whether authority had been granted previously. Lone bids announced by Alderman Steve Basarich were accepted.

The city of Madison purchased a 1961 Ford refuse truck—the department's No. 3 vehicle—which has a "collectomatic" mechanism, and the No. 7 truck, a 1958 or 1959 International with packing equipment, for a total of \$7000.

The Flare Warfield Truck Co. bought a 1955 International truck with collection mechanism for \$400 and a 1956 International truck for \$325. The bids currently are being sought on the last three trucks—two

1950 models and a 1958 vehicle. The trucks no longer are needed due to elimination of the city's garbage collection staff; the work is being done by a private contractor.

Vote on the truck sale was 11-2, with Aldermen Rutledge and Wieser opposed. At the time the roll call, Aldermen Pappene, Whittner and Bartoski were not present.

By a voice vote on a motion by Alderman Meyer and a second by Mrs. Gabrielle Belting, the council denied permission for the American National Bank to erect a signboard at Iowa street and Nameoki road. Meyer cited opposition in the neighborhood to past signs on the corner for which have since been removed.

Select Name For Son

Craig Stevens is the name chosen by Mr. and Mrs. Jack Wieser, 1615 Poplar street, for their infant son born June 27 at St. Luke's Hospital in St. Louis. The new arrival weighed eight pounds, four ounces.

Veeder Again Elected By Junior Achievement

Nicholas P. Veeder, president and chairman of the board of Granite City Steel Co., was elected to his fourth consecutive one-year term as a vice-president of Junior Achievement of the Mississippi Valley during the annual JA meeting yesterday in the auditorium of Freund Baking Co. in St. Louis.

Herman F. Spoehrer was re-elected chairman of the board and C. F. Belke was named president.

Vice-presidents elected in addition to Veeder were George W. Brown, A. H. Burgess, Russell Casteel, R. K. Heineman, John Mitchell and Harold E. Thayer.

The 1962-63 board secretary is John Key Stephens. Richard H. Bennett was elected treasurer and Wayne Lutyens, twice president of JA of the Mississippi Valley, was named regional

representative. Veeder, who first served as JA board vice-president during 1959-60, is also beginning a three-year term as a member of the National Executive Committee of JA.

New members of the JA board of directors elected yesterday were W. E. Fisher, vice-president and general manager of Southwestern Bell Telephone Co., R. K. Mueller, vice-president of Monsanto Chemical Co., and Otto Rost, an assistant director of secondary education in the St. Louis public schools.

Belke reported during the annual meeting that the Mississippi Valley JA budget balanced during the past year.

TO WED. Miss Madeline Sigle, a daughter of Mr. and Mrs. Ted Sigle of Godfrey, formerly of Granite City, whose engagement to Robert Floyd Robinson Jr., a son of Mr. and Mrs. Robinson sr. of Wood River, is announced. Both young people graduated from Alton high school, and the prospective bridegroom attended the Southern Illinois University Residence Center in Alton.

Western Theme For Party of Sorority Unit

A western theme formed the setting for the July party of Eta Alumnae chapter of the Phi Tau Omega sorority last night, given by Mrs. Mildred Jungels and Mrs. Melba Tarpoft at the Rose Bowl.

Carrying out the general idea, the tables were decorated with horseback riders, stage coaches and other reminders of the "old-time west." Prizes in the games were won by Mrs. Betty Lou Harris, Mrs. Bernice Grzesik, Mrs. Ruby Overbeck, Mrs. Thelma Graham, Miss Irene Hayes and Mrs. Mary Margaret Graham.

Guests attending the party in addition to the sorority members were Mrs. Anita Eftimoff, Mrs. Melva Nafziger, Mrs. Mary Tarpoft, Mrs. Olga Tarpoft, Mrs. Dorothy Gitch, Mrs. Van Stuart and Mrs. Clare Parker.

Driver Charged

Marvin Monroe, 27, of 2122 Delmar avenue, was arrested this morning for running a stop sign in Granite City and having no driver's license. He was released on bond.

New Depreciation Rules
To Benefit Steel Firms

The steel industry will be one of the major beneficiaries of depreciation reforms announced yesterday by the federal government. The new regulations will give businesses a tax savings estimated at \$1.5 billion the first year.

Government sources said steel industry deductions will be boosted about 25%, while railroads and paper producers will receive still greater benefits to encourage investments in manufacturing equipment.

\$12,948 To County
From Sales Taxes

Madison county will receive \$12,948 from the one-half cent sales tax collected in unincorporated areas of the county during April, the Illinois Department of Revenue announced today.

Total taxes collected during April were \$13,387, with the amount to be remitted to the county raised and a 4% deduction for administration, or \$539.

Mr. Mariman, a native of Kar-nak, Ill., had lived in Granite City for 39 years. He had been employed as a finisher at General Steel Industries prior to his illness. He was a member of Masonic Lodge 822, Sword of Bunker Hill and the Wayfarers Club of Belknap.

He is survived by his wife, Mrs. Irene Mariman; two sisters, Mrs. Herbert (Elsie) Mesher and Mrs. Hershel (Emma) Woods, Karnak; a nephew, Charles G. Worcester, Granite City; and a mother-in-law, Mrs. Elsie Porter.

Further information is given in today's obituary column.

Nameki Tax Collector
To Close Books Friday

Nameki township taxpayers have only today and Friday left to pay their 1961 tax bills at the office of Collector Elbert Coates at 5541 Fairmount avenue, State Park Place. The books will be closed out and balanced Friday night and turned over to the county.

Collections will resume Wednesday at the county treasurer's office in the Madison county courthouse in Edwardsville.

To date, \$862,525 has been paid of the \$862,525 due.

Truck, Auto Collide

An auto driven by Margie Julius, 25 of 1309 Carr street, collided with a soft drink delivery truck driven by Gerald Paterson, 34 of 4701 Kirkpatrick Homes, at 10:15 a.m. today on Seventh street near Madison avenue, Madison. Police said the truck was backing up to make a delivery. Damage was limited to the front of the Julius car.

Collide In Venice

An auto driven by Wilbert L. Dowling, 29, Caseyville, collided with the vehicle of Charles Rockett, Madison, at 4:50 p.m. Tuesday morning on Broadway, Venice. The break-in was discovered Tuesday morning by R. N. N. N. He said the pool had been closed at 9 p.m. Monday.

The money was in a bank bag. It was mostly in rolls of nickels and dimes.

18 Attend Boy's Party

Albert Turner, son of Mr. and Mrs. J. W. Turner, 109 Abbott street, Venice, celebrated his ninth birthday Wednesday with a party at his home. Eighteen children attended.

Burglar Loots
Clothing Store
During Night

An as yet undetermined amount of clothing and other items was taken from the American Sales store, 314 State street, Madison, by a burglar who broke into the establishment last night.

Madison police are investigating the incident, one of five burglaries and theft reports received by local authorities this week.

The Madison store burglary was discovered at 8:50 a.m. today by a customer, who arrived before the store opened and found the door open. A store clerk, Mae Roderick, arrived shortly afterward and notified police.

150 Pairs of Pants
Among items stolen to be clothing are 150 pairs of boys' pants, 40 pairs of boys' white t-shirts, 25 pairs of boys' blue t-shirts, 25 packages of three men's white t-shirts, 34 men's t-shirts in assorted sizes and colors and four plastic clothes baskets. No cash was missing.

Also reported were 120 pairs of men's shorts, 50 pairs of men's dress socks, 50 pairs of men's pants, 20 men's knit shirts, and three men's bowling shirts.

Police said owners of the firm, Mr. and Mrs. William Hamilton, who live over the store, are on vacation. A complete study of the inventory may show other articles missing, it was reported.

Investigating officers said entry was gained by forcing a door on the west side of the building facing State street. A crowbar and claw hammer were found inside the store along with a man's yellow and blue cloth work glove.

Approximately \$150, mostly in the form of cash, was missing. The money was in a bank bag. It was mostly in rolls of nickels and dimes.

Thieves used slugs to crack the double door by breaking the glass. A locker cabinet in the office was then forced open.

The break-in was discovered Tuesday morning by R. N. N. He said the pool had been closed at 9 p.m. Monday.

Luscious 'Pork Chops a la Nectarine'

Make a summer meal something the entire family will look forward to by serving "Pork Chops a la Nectarine." Meat and fruit complement each other naturally, and in this recipe, the fresh nectarine slices, green pepper, apple cider and spices accent the flavor of pork chops deliciously.

Enjoy fresh nectarines from California often before the season ends in early September. Their rich-looking red-and-gold skins are so smooth that there's no need to peel them. And beneath this lustrous exterior, the golden-yellow fruit itself is a fragrant invitation to good eating.

Whether eaten out-of-hand or in salads, fruit cups or desserts, plump orchard-fresh nectarines are surefire warm-weather refreshers.

Pork Chops a la Nectarine
6 large loin pork chops 1/2 teaspoon salt
1 cup apple cider 1/2 teaspoon pepper
1 teaspoon grated lemon rind 6 whole cloves
2 tablespoons lemon juice 2 tablespoons cornstarch
1/2 cup sliced green pepper

Trim excess fat from pork chops and rub large skillet with it. Brown chops; drain off excess fat. Combine 1/2 cup cider, lemon rind and juice, cinnamon, nutmeg, salt, pepper and cloves. Pour over chops; cover and simmer 45 minutes. Combine cornstarch with remaining 1/2 cup cider; stir into pan juices; cook and stir until thickened and clear. Add nectarines and green pepper. Cover and simmer 5 minutes; just until thoroughly heated. Makes 6 servings.

change in present insurance procedures in favor of bidding handled directly by the school district, the board permitted Leiland Britt of American Motorists Insurance Co., Chicago, for grouping all school building insurance in one policy.

Listing a \$14,705 premium on \$11,224-\$10 total coverage, with a \$2205 dividend, Britt estimated savings to the district of \$12,499 in three years. He also suggested coverage on the basis of replacement cost rather than present actual value of school buildings.

Pay Boost For Secretaries
The board granted a five-cent-an-hour pay increase to school secretaries, who total 77.

Secretaries also receive five-cent-an-hour yearly pay boosts as increments on the existing salary schedule.

The number of years on the secretaries' schedule varies in different departments, and the board added one year in each case Tuesday night.

The board also established a three-day secretary leave for a

Ralph Spengler, Ralph Fricker and Daniel Linder voted to continue the district contribution of \$1500 plus \$8500 state aid.

"No" votes were cast by Secretary George Stidham, Homer Huber and Ralph Buske, who said the district already has a large counseling staff; they cited the need for economy.

Dr. Kaiser reported going to Washington Sunday and Monday to discuss Public Law 874 with Congressional leaders and other school representatives, and the board authorized him to go again if necessary.

The board receives federal funds each year for operation and maintenance costs, and the last \$25,000 of the 1961-62 figure of \$115,000 depends on a deficiency appropriation.

Miss Oros Attending School Speech Institute

Miss Kathy Oros, 2841 Washington avenue, is among more than 200 high school students—all in the upper 25% of their class—who are attending the National High School Institute in Speech, through Aug. 4 at Northwestern University, Evanston, Ill.

Kathy is the daughter of Mr. and Mrs. Paul J. Oros. The university's School of Speech supervises the programs in drama, radio-television-film, debate and public speaking.

Prof. Karl F. Robinson is directing the institute, which began July 2.

The institute is conducted by regular university faculty, supplemented by a special staff of instructors selected for abilities in training students in speech fields.

death in the immediate family. Existing practices placed in writing were time-and-a-half pay for overtime, and holidays on days when no custodial service is available.

The secretarial pay boost was decided upon during a three-hour executive session ending at 2:30 a.m. Administrative salaries also were discussed, with no decision reached.

The board authorized an engineering survey at up to \$100 cost to determine Mitchell grade school property lines.

Monday Deadline To Pay Venice Taxes Locally

Next Monday will be the last day for Venice township residents to pay their tax bills locally, Collector Frank Reidelberger said this morning.

Venice taxpayers had paid \$425,483 toward their \$222,2032 tax bills through yesterday.

Reidelberger and his staff will continue to take payments locally tomorrow and Monday between 9 a. m. and 3 p.m. at his

office in the former Madison bank building, 401 Madison avenue.

After Monday, Venice residents must turn in their payments to Edwardsville.

Fire Destroys Chair

Madison firemen were called to 1300a Madison avenue at 9:25 p.m. yesterday to extinguish a blaze in the apartment of Harry E. Hartman granted a motion by the state's attorney's office to dismiss charges against Elton Eugene Keel and Terry Thweatt, Paul Dean Fisher, who was not appear in court, was

acquired by a jury. The complaint had been brought by Robert Barclay for alleged battery in March. All are from Granite City.

Arrested For Assault
James E. Geise, 28, of 1728 Venice avenue was arrested in Granite City Wednesday for creating a disturbance and assault and battery. The complaint was signed by John Geise. The accused man was released on \$48 cash bail.

Vandals Deflate Tires

Vandals let the air out of the tires of two cars early Wednesday morning. The cars were owned by Clarence Perkins, 2407 Cardinal avenue, and Mrs. Donald Marcus, 2816 National avenue.

Five Attend Session On Traffic Control

Five persons represented the all-day conference in Belleville on uniform traffic control devices. Representing Granite City were Police Chief Raymond Willard; and Engineers David Johnson, W. H. Pearson and Charles Rhoads. Jack Clifford of Sheppard, Morgan and Schwab Co., consulting engineers for Madison and Venice, also attended.

Purpose was to explain and discuss the new federal manual on uniform traffic control device for streets and highways and show how its adoption would affect Illinois streets and highways.

The Illinois division of highways conducted the meeting. Should the manual be adopted in all 50 states, a uniform system of traffic control can be set up throughout the U. S.

Discuss Port Tenants

A monthly meeting of the Tri-City Regional Port District board was held Monday night with the discussion centering on proposed tenants of the port. The meeting was attended by Chairman Carl Ruff, Harold R. Fisher, Harry E. Hartman, Henry D. Karandjef, Port Manager John L. Barron and Attorney Randall Robertson.

Tax Payments In GC Exceed \$1,470,000

Granite Cityans have paid \$1,470,775 toward \$5,967,041 tax. Tax Collector Frank Sappington said today. Payments Monday totaled \$73,516, Tuesday \$115,123 and Wednesday \$97,817.

Sappington's office on the second floor of city hall is open 8 a.m. to 5 p.m. Mondays through Fridays and from 8 a.m. until noon Saturdays. Local collections will continue through Aug. 3.

Night baseball was first introduced in the major leagues in 1935.

George Ostresh, 71, Dies; Long Illness

George Ostresh sr., 71, of St. Louis, died at 4:15 p.m. Wednesday at St. Elizabeth Hospital, where he had been admitted ten minutes before. He had been ill five months with lung cancer. He spent his last two weeks at home, but had been hospitalized at St. Elizabeth for three weeks prior to this.

He had lived in the United States for 56 years, 34 years in Madison and previously in East St. Louis. He was born in Zagreb, Yugoslavia, formerly part of Austria.

Mr. Ostresh had retired in December 1955 after 17 years as a dockleader for Falstaff Brewing Co., St. Louis. He was a member of Concordia Lutheran Church and Brewsters and Bof-lery-Local 133.

He is survived by his wife, the former Frances Gronewald; four sons, George Jr. and Edwin, both of Granite City, and Elmer and Lawrence N. both of Troy; a daughter, Mrs. Frank (June) Humphrey, Madison; and 12 grandchildren.

Preceding him in death were his parents, Joseph and Betty Ostresh, and one son, Norman. Further information is given in today's obituary column.

Arch Train Bond Sale Completion Expected

The last of \$3,300,000 in bonds to finance installation of an internal train system in the Gateway Arch on the St. Louis riverfront were expected to be sold by noon today, E. William Darmstadter, spokesman for a group of investors handling the transaction for the Bi-State Development agency, told the Press-Record today.

Darmstadter said a few of the bonds remain to be sold by associates in the Chicago area. Most were bought by investors in the St. Louis area, he said. The sale began yesterday morning.

Venice Street Material Bids From Three Firms

Bids on material for maintenance of arterial streets in Venice were opened at 10 a.m. today at the Venice city hall, with bids from three East St. Louis firms received.

Midwest Blacktop Roads, Inc., submitted a bid of 17.5 cents per gallon for asphalt and \$5.41 per ton for aggregate stone, both furnished and applied. Bids of \$8.50 per ton for pre-mixed street patching material were submitted by both Bitumix, Inc. and the MacLair Asphalt Co.

Action on the bids is to be taken by the city council in a special meeting at 7:30 p.m. tomorrow.

I-C All Star Squads Clash For 14th Time Sunday

35-Plus Wins To Alt-Wood, Trust Bank

Trust Bank nipped VFW Post 1300 with a three-run rally in the 10th inning and Alt-Wood Fuel scored early to defeat Club Delmar 8-2 in 35-Plus Slow Pitch league softball action Monday night at Wilson Park.

Trust Bank and the VFW were tied after regulation play when the Veterans rallied with three runs in the bottom of the seventh, and both clubs scored once in the ninth.

But two VFW errors in the 10th, coupled with singles by Les Thompson and Bernie Denison, plus winning pitcher Steve Hardsky's double, got three Trust Bank counters across. Hardsky then shut out VFW.

In the bottom of the 10th for a 10-7 decision.

Howard Champion had a triple for the losers, and three-baggers were registered by Trust Bank's Bill Gaines, Harry Taylor and Vernal Deutschman. Ed Camper was the losing pitcher. There were 35 hits in the game, 18 of them by Trust Bank.

Leadoff homers in the fourth by Glen Wolfe and in the following inning by Nick Bogovich helped Alt-Wood to its victory over Club Delmar in the second game. The winners also got triples from Al Kutzer and Ike Bauer as they scored all eight of their runs in the first five innings.

Club Delmar was blanked until the sixth when Glen Harris' double and John Reed's single chased one run across. Losing pitcher Harold Schmitz connected for a bases-empty homer in the seventh for Delmar's only other run.

Paul Thompson, who gave up eight hits, was the winner. Alt-Wood managed nine safeties, four of which went for extra bases.

Blues Hold 8-5 Edge Since Series Began; Contest In East St. Louis

Two 20-player squads, tops in the Red and Blue divisions of the Southwestern Illinois Inter-City Baseball league in the eyes of 10 team managers, will square off at 2:30 p. m. Sunday at East St. Louis' Jones Park for the 14th playing of the I-C's mid-season all-star game.

The Red division squad, packed with long-ball hitters, would seem to be the favorite to grab its sixth win and second in succession since the series began in 1949.

At least that's the way Red All-Star Manager Jim Crouch of Collinsville felt this week. "We have the poorer record (24-27 as compared to 29-28 for Blue division teams), but a lot of the boys on our roster haven't been in the club long enough for their names to show up among the leading hitters," Crouch said.

The Red manager also will be getting an opportunity to work with a group which has winning potential, something which cannot be said of the team he directs during the regular season. The Blues have enjoyed nine straight in I-C competition since opening the campaign with two victories.

Pitchers Named
Crouch said he probably will start righthander Bill Johnson of Maryville on the mound against the Blue division. Gary Wiesmeyer of Troy is scheduled to follow, and Jerry Dill of Maryville will be the third Red division pitcher, provided things go according to plan.

Rival manager Oliver "Peck" Holmeier of Meador Glass has had to do a bit of shuffling with his pitching staff. "Since (Bob) Vetter (formerly with Meador) has moved to Springfield, I'll move (Jack) Buentz (also of Meador) up, and he'll probably be our third pitcher," Holmeier said this week.

George Teasley of Meador Glass is due to open for the Blues, and lefthander Lonnie Griffith, the pitching sensation of last season's cup playoffs with Peabodys, will be sandwiched between Teasley and Buentz.

On Crouch's coaching staff will be managers Glen Gutjahr of Moose Lodge No. 4 in East St. Louis, and Jim Thomas of Maryville.

Coaching for Holmeier will be Otis Miller, co-manager of Meador, and Gerald Hopkins, who directs the Roxana Merchants during the regular portion of the schedule.

Division Rosters
The Red division all-star roster includes Dan Reilly, Bob Price, John Rains and Mike Suss of Sacred Heart; Eddie Blake, John Basarich, Larry McCaskey and Don Bruce of Meador; Lodej, Don Hefferty, Jack Parker, Harold Seibel and Jim Bradley of Collinsville; Gary Hearn, Rich Sauger, Johnson and Dill of Maryville; and Wiesmeyer, Gordon McFarland, Lester Lewis and Sherman Sweeney of Troy.

Mercer Funeral Home leads both leagues in number of players selected to the squads with five. They include Charles Jo-

hannigmeier, Don Crabtree, Bob Siegemeyer, Rich Branding and Freddie. Other Blue selections are Harry Manley, Jim Kuhn, Mike McKinney and Griffith of Peabodys; John "Carmichael," Dave Carruth, Eddie Hopkins and Teasley of Meador; Tom Zivic, Larry Schaake, Dan Milgrom and Jim Knepp of Carpenters; and Gordon Hill, Walter Heinz and Tom Post of Roxana.

In case Sunday's contest is postponed due to rain, it will be rescheduled as a night game in Collinsville on July 28.

Girls' Twilight Softball All-Stars Tangle Saturday

The Girls' Twilight Softball league breaks from its regular schedule Saturday night in Collinsville, where a league all-star team will meet the clubbers first place of tonight in an 8:30 contest at Fletcher field.

Alton, Alton and Collinsville are currently the 1-2-3 teams in the standings, and only a game separates them atop the seven-team league. The club which stands in first place after tonight's play will withdraw its all-star selections.

The remainder should be plenty to field a top-flight squad, since Twilight managers named 20 players to the team last month. Included are four from the Venice Girls, currently in fourth place. They are Joan Turpin, Angie Unger, Molly May and Judy Schaefer.

The all-star roster is completed with Scitico Freeman, Bev Conroy and Ed Pack of the Alton Lakers; Betty Onofrey, Diane Cotter, Karen Chase, Darlene Thinner and Bonnie Huber of Alton's Jets; Georgia Yost, Mary Baumbartner, Judy Bucher and Barbara Purdy of Collinsville's Rockettes; Nancy Mueller and Dianne Arns of Maryville; and Mary Samson and Gail Rief of the Belleville Moose. Valmeier is not representative of the all-star squad.

Venice, which plays Maryville at 8:15 tonight in Lee Park, is virtually assured of making the Twilight playoffs beginning Aug. 22, and also will compete in the ASA's women's playoffs in St. Louis, according to manager P. E. "Pop" Meyer.

Jaycee Swim Meet Saturday Morning At Paddlers Pool

Youngsters in three age groups will compete in swimming events Saturday morning at Paddlers pool, where free style, back stroke and relay races will be held as part of the Granite City Jaycees' 1962 Junior Sports Jamboree.

First-place winners in boys' and girls' divisions will qualify for entry in a sectional Junior-bore swimming meet to be held the following Saturday at the Granite City Engineer Depot pool, again under auspices of the Jaycees and the Illinois Youth Commission.

Contestants Saturday will be divided into three age groups: midgets (10-11), Juniors (12-13) and Intermediates (14-15) in both boys' and girls' divisions. Preliminaries will begin at 8 a.m.

The bulk of the swim contestants is expected to be drawn from the YMCA, Wilson Park and Paddlers pools.

The sectional Jamboree here on July 21 is expected to attract some 1000 youths from all over southern Illinois, with track and field competition slated in addition to swimming events. Sectional winners will go on to the state contests in Sterling Aug. 24 and 25.

Jaycee Junior Sports Jamboree chairman here is Phil Hogan. Grad Krause will direct Saturday's swimming meet.

Area 2nd Most Popular In State For Boating

(Seventh of a series)

The Mississippi River in the general vicinity of the Alton dam pool is the second most popular boating place in Illinois, state officials report.

This is the section used by most of the Quad-Cities boating enthusiasts, who ran attest to the area's popularity.

Those active in the sport have noted increasing crowding of the waterways with all types of pleasure craft.

150,000 Boats In Illinois

Kenneth Gruenewald, head of the boating inspection section of the law enforcement division of the Illinois Department of Conservation, estimates that 150,000 pleasure boats will be registered in Illinois this year. This would be an increase of 22,000 over last year's 128,000.

Registrations in 1950 totaled 100,000.

Gruenewald said the heaviest concentration of boats is in the Chain of Lakes region in Lake and McHenry counties.

Some 80,000 persons will go boating in that area, this year, according to Gruenewald. He estimates there will be some 20,000 boats in the area at one time or another.

Top Crab Orchard

The second favorite boating spot is the Alton pool, with Crab Orchard Lake in Williamson county third.

The Rock Island and Peoria areas run neck and neck for the fourth spot.

State boat registration are needed for three years and, he fee is \$3 when registering. R gistering of boats became effective in 1950.

After the boat has been registered, the owner is given a number which must be painted on the boat. If a boater fails to register, he can be arrested and fined from \$10 to \$100.

Gruenewald estimated that 500,000 to 600,000 persons will ride boats on Illinois waters this year. Of this total 65 per cent will be for fishing and the rest will be for pleasure riding, he predicted.

State Boat Council

Because of increased interest in boating, the division recently formed the Illinois Boat Council to promote water safety and acquaint boaters with Illinois boating laws.

The council conducts safety courses at which state officials hand numbers of conservation and boating clubs are asked to participate.

The division also has control over regattas, which are held bi-

get a Plymouth or a Valiant

Two really big-league cars, and right now they're going at bush-league prices. For example, a certain hit, Plymouth is priced as much as \$172* less than Ford, \$46* less than Chevrolet! And the King of the Compacts, Valiant, touches all bases with America's lowest-priced hardtop with bucket seats! These are just the normal facts of

price with these two great big leaguers. But right now, when we are offering unusually high trade-in allowances, is your time for a bonus. Why be a holdout? We've got a contract all ready for you to sign. Why not come in today—and put your name on the dotted line? You'll love playing in the Plymouth-Valiant league.

Varied Civilian Duties In Korea For Ex-Soldier There

Many Quad-Citians have served in Korea with the armed forces, but few have returned to the Asian peninsula following their military duty.

An exception is James Wade, Granite Cityan now in Korea performing not one but five tasks.

His multiple duties are as follows: publicity, educational and cultural affairs officer, American-Korean Foundation; part-time professor of music, Yonsei University; music critic, Korea Times; consultant, Korean Musicians' Association; and Seoul correspondent, Musical America, a leading U. S. music journal.

A land 325 miles long and 122 to 200 miles wide, Korea is many thousands of miles from the Quad-Cities and was little known or thought of here until June 25, 1950, when North Korean armed forces struck without warning across the 38th parallel into South Korea in strength.

Two days later, President Harry S. Truman announced that he had ordered U. S. air and naval forces to give South Korean troops cover and support. Ground, air and naval units had gone into action under the United Nations banner by June 29, and warfare continued with varying intensity until signing of a truce at Panmunjom July 27, 1953.

Large In U. S. Thoughts

American fighting men still serve in Korea, though not in combat. Because of this, and the fact that it was the scene of fighting and dying by many Americans, Korea still looms large in American thoughts.

Many Korean orphans have been adopted by American couples.

Wade first went to Southeast Asia after entering the U. S. Army for the two-year tour of duty required of all young Illinois men who were in their 20s during the decade of the 30s.

Assigned as a chapel organist and choir director, he spent 1954 and 1955 in Korea.

That the impression made upon him would be a lasting one became evident as early as 1956, when he founded "Music for Korea," a project to collect unused music in America for use in Korea.

The music for Korea library continues to be maintained by the foundation, and it currently contains over 20,000 separate items.

Returns In 1960

Wade returned to visiting professor of composition at the Seoul University in September, 1960.

He also was named cultural consultant to the American-Korean Foundation.

The Granite City high school graduate, whose parents are Mr. and Mrs. E. J. Wade, 2519 Madison avenue, assisted in arrangements for Seoul concerts by the Harvard University men's glee club during its Far Eastern tour in 1961.

This year, he assisted in production of the Korean folk opera, "Pae Baeng I Gut." He currently is composing incidental music for a play by Harriet Mattusch, author and historian of Korean culture, and is arranging a concert suite from this music.

He also has been commissioned to compose a new choral work for the World Vision Korean Orphans' Choir, which featured his music on its 1961 American concert tour in Carnegie Hall and Constitution Hall.

Accompanying him to Korea for his civilian stay there was his wife, the former Lee McClintock of St. Louis, like him a graduate of Washington University. She is employed as administrative assistant at the Seoul office of the American-Korean Foundation.

Member Of Asia Society
Despite his many regular duties, Wade finds time to write, direct and produce publicity motion pictures for AKF. He also is active in the Asia Society, National Association of Foreign Student Advisers, Korean Musicians' Association and Royal Asiatic Society.

The land which the Wades find so fascinating is, of course, much different than the United States. But, surprisingly, there are many similarities, they report. The famous 38th parallel of latitude, an artificial barrier that divides a once-united country, passes through the U. S., bisecting Illinois near DuQuoin.

The name of Korea translates as the land of high mountains and sparkling streams, a description which applies to many areas of the U. S. And, the humid Korean climate is similar in many ways to the U. S. climate, ranging roughly from that of Georgia on the south to Maine on the north. However, there is a pronounced rainy season in the summer, and winters in Korea are relatively dry. Summers are not as well as moist.

Putting southward from Manchuria and Russia, bounded on the north by the Yalu and Tumen rivers, on the south by the Straits of Korea, on the west by the Yellow Sea and on the east by the Sea of Japan, Korea has a history dating back to 2333 B.C.

Wade's history goes back only slightly more than three decades, to Jan. 8, 1930, but from an early age he showed an interest in the fields that now make up his many-sided professional career—composer, author, educator and journalist.

Music Study
He studied composition and theory with Jeanne Boyd and John Palmer at the American Conservatory of Music, Chicago, in 1948-53 and 1955-56. His degrees received there are bachelor of music (theory) and master of music (composition).

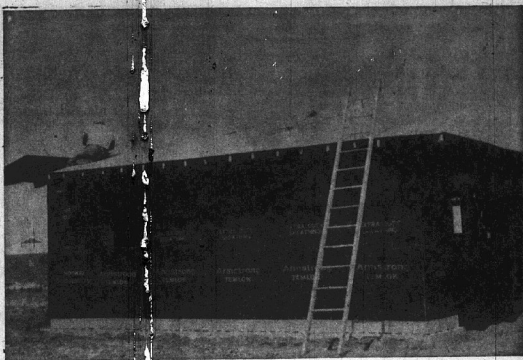

In 1957-58, he attended the Graduate Institute of Education at Washington University, St. Louis, receiving the degree of master of arts in education.

He has composed many works for orchestra, voice, chorus, piano and chamber ensemble, in addition to composing musical scores for 16-mm. educational motion pictures. Many of his selections have been performed in the U. S.—and Korea.

Wade founded and edited "The Stylus," a "little" magazine published from 1949 through 1956. He has contributed articles on musical and cultural subjects to newspapers and magazines in the U. S. and Korea.

The Wades hope to return to Granite City and St. Louis for a month's vacation in December.

Resuscitation Shown To Mitchell Club, Firemen

Donald Watson, representing the Granite City Steel Co. safety department, was guest of the Mitchell Kiwanis club at a dinner meeting Monday night at Smith's Cafe, Mitchell.

Watson demonstrated mouth-to-mouth resuscitation on a special model designed for the purpose and loaned by the Quad-City Safety Council. The demonstration and discussion of safety practices were the evening's featured program.

The following items were taken from the files of the Granite City Press-Record:

THURSDAY, JULY 12, 1937

The largest tax reduction ever voted by a public body in this community was unanimously adopted Tuesday night when the Granite City grade school board of education slashed the rate 40 cents on the \$100 assessed valuation from \$2 to \$1.60.

Simultaneously, the board authorized payroll increases aggregating nearly \$17,000 for the current fiscal year ending June 30, 1937. Every employee, from the highest to the lowest, will share in the advanced wages.

The tax reduction and salary increases were made possible by better tax collections, living below the district's revenue for the last three years, and a large lump sum payment of taxes a year ago by the Louis Gas and Coke Corp., R. D. Chapman, chairman of the finance committee, explained.

Miss Nada Grammaticof, senior at Carbondale Teachers College and a former resident of Granite City, has been appointed secretary to Dean Whank at the college. She will continue her studies in commerce.

Gregor Sida Jr. has returned from Boys' State at Springfield, where he was sent to represent Tri-City Post 315, American Legion.

The German Beneficial Union is sponsoring its annual picnic Sunday at Stall's Grove, Horse-shoe Lake, with the entertainment committee.

The Madison Rotary club yesterday was entertained with a very interesting and profitable recent trip 32 Boy Scouts of the Cahokia Mound Council made to the World Jamboree in Madison, D. C. The story was told by Ben Steinberg and Jack Friedman.

Mrs. E. H. Bewick, Mitchell, is spending the week with relatives in Martinsburg, Ill.

Mrs. Jessie Hargrave, Mrs. Merle Baker, Mrs. Guy Miller and Mrs. Cora Fuller were on the program at a regular monthly meeting of the Women's Missionary Union held yesterday afternoon in the Venice Baptist Church.

Mr. and Mrs. Benner of Market street, Union, entertained at dinner yesterday Mr. and Mrs. Ben Bohm and daughter, Virginia, of Oak Ridge, in the Ozarks.

Dr. Lemuel Hall, pastor of the First Baptist Church, has arranged a novel service for next Sunday, with music playing an important part, in the theme, "Love's Gospel."

Gardner Chase, of Mr. and Mrs. Grover Chase, has enrolled for a summer course at Cornell University, Ithaca, N. Y.

Mrs. Louise McGinn entertained her pinocle club, the Lundy, Tuesday afternoon in her home on Benton street. Present were: Mrs. L. L. Lieferrig, Mrs. A. F. Allison, Mrs. Charles Ritter, Mrs. Lottie Scherrer, Mrs. A. F. Buente and the hostess.

Mr. and Mrs. John D. Strohm of State street left today for a

vacation trip of ten days. Part of the time will be spent in Cairo.

Mr. and Mrs. J. R. Todd have returned from a visit of several days in Louisville, Ky. Their daughter, Jean, who had been a guest of her grandmother since school closed, returned with them.

Mr. and Mrs. Leon Gozla of Madison avenue, Madison, moved to Alton and spent this afternoon.

Mrs. William Hambrink and two daughters, Annie and June Estelle, of Fifth street, Madison, have returned home from a week's visit with her parents in Fulton, Mo.

Miss Vera Goetz and Verna Deutschmann have returned from Kansas City, Kan., where they visited relatives of the last day for several days.

William Kaiser, assistant supervisor of Granite City township, is on a combined business and pleasure trip to Pittsburgh, Pa.

Wilson Park softball league games are as follows: Tuesday: NYA 9, Bob's Flowers 3; De-Molay 15, Tri-City Yankees 8; Sacred Heart 3, Hartford 2.

The Congenial Pinocle club met Wednesday afternoon and was as follows: Tuesday: NYA 9, Bob's Flowers 3; De-Molay 15, Tri-City Yankees 8; Sacred Heart 3, Hartford 2.

Present from Granite City at a party in Collinsville Wednesday at the home of Dr. and Mrs. William Harrison in honor of Mrs. Harrison were: Mrs. Clara Redmond, Mrs. William Knipping, Mrs. O. H. Jones, Mrs. Ollie Clark, Mrs. Irene Hendrichs, Mrs. Vera Todd, Mrs. Clara Elliott, Mrs. Jett Abbe, Mrs. Russell Long and Mrs. Ray Voss.

Mr. and Mrs. Earl Bloomquist of Adams street have returned from Bernage, Minn., where they visited relatives for the past two weeks.

Mr. and Mrs. J. M. Moss are home from a week's vacation on the Cassadaga, Fla., in the Ozarks.

Quitting occupied the day for the following ladies aid at the church of the Holy Trinity, Hill st., Mrs. W. J. Franklin, Mrs. Minnie Smith, Mrs. Harry Phillips, Mrs. Frank Robbins and Mrs. Elmer Pierce.

The Mary Adella circle of the Neighborhood Menomoni, M. E. Church met for a picnic Tuesday afternoon at the home of Mrs. Quincy Quincey, State street. Refreshments were served to Mrs. Arthur Crabtree, Mrs. Baumgardner, Mrs. William Langlois, Mrs. W. F. Carson, Mrs. Helen Wadsworth, Mrs. George, Mrs. Roy Kean, Mrs. Nichols and Miss Elva Miller.

LIKES FORUM, CITIZENS SEWER PLAN; OPPOSES SANITATION CONTRACT

To the Editor:

We as taxpayers do not have much chance to express our opinion on the council floor any more, so, thanks to the Forum for giving us the chance to express it.

I think the garbage deal is the worst yet.

Our sanitary department was doing a good job—the best we ever had. Some were on the job when I was chairman and they have been fired and St. Louisans have taken their place.

I wonder if some St. Louis man has really got the contract, or is he just a front for someone else? They say they are saving the taxpayers' money, but how about the faithful taxpayers out of a job? I would rather pay a little more and keep my neighbor working.

We had an ordinance on the books that said all employees of the department must be residents of Granite City. I wonder if that ordinance been repealed?

When men give good, faithful service, you should reward them. Let's all help them to get their jobs back.

As for the drainage problem, we have had a group of civic-minded, public-spirited citizens spending years in the study, and they came up with this honest conclusion. Let's give them credit.

Something must be done, and we have to pay as taxpayers, regardless. So let's don't make a

Chambers Discuss Area Projects, Industrial Growth

Two Granite City residents were appointed Monday night to a committee of three to look into the feasibility of putting out an industrial development brochure for the Metro East Area of Commerce.

Harlan Dobry and C. E. Townsend of the Tri-Cities Chamber of Commerce were appointed, along with Horace Browder, representing East St. Louis.

The Metro East Chambers of Commerce groups met at the Knights of Columbus hall in East St. Louis. Representatives of the local area, East St. Louis, Alton, Edwardsville, Wood River and Hartford attended.

James H. Reed, manager of the East St. Louis Chamber of Commerce, reported on the proposal to move the National Transportation Museum to East St. Louis. It is now located in St. Louis county.

It was estimated that the museum would draw as many as a half million people to the Illinois Metropolitan Area were it located here.

Back Exposition Hall

The committee headed by Rep. Ralph T. Smith of Alton which is exploring the idea of establishing a metropolitan area development commission to continue its study. The commission was commended for its activity thus far on the matter.

There was discussion of newspaper articles that have appeared in area papers concerning mistake, as we did on the Nameco sewer district.

Zoning Issue Affords Opportunity For Enlightened Leadership By County Board

An opportunity for enlightened leadership is afforded members of the Madison County Board of Supervisors by the zoning issue, especially with the request for support made by the County Citizens Planning Committee.

It is true that a few opponents have sought to create confusion and the illusion of widespread opposition to zoning. It is equally true that zoning for unincorporated areas is vital to the county's economy and the prosperity of its residents, and that many thousands of people want it to be adopted.

With 18 of the 24 township hearings already conducted, at least 16 have been dominated by a few outspoken foes who traveled from hearing to hearing and often held "educational" meetings in advance with residents of the particular township.

The "big lie" propaganda technique has worked in some parts of the world on past occasions but should not be allowed to prevail in Madison county in 1962.

In urging that the County Board back the Zoning Commission it created for the hearings, the Citizens Planning Committee indicates that a more forthright stand by some of the supervisors would be helpful in placing the proposal back in its proper perspective.

Keep Alibi Tavern Closed For As Long As Law Allows

As was urged here earlier, padlocking of the Alibi Lounge tavern on Collinsville road has been made possible by action of Madison county authorities, sustained by the Illinois Liquor Commission. The county should now make sure that the establishment stays out of business for as long as the law allows.

Sherrif Musso, former Assistant State Attorney, Gilchrist and state police deserve praise for their part in a midnight raid which paved the way for action against the tavern's county liquor license.

SECOND SEMINAR ON EFFICIENT GOVERNMENT

A two-day seminar—"Operation Improvement"—the second of its kind, will be held at my request July 23 and 24. Its purpose is to instruct administrative personnel in government in the improvement of management techniques.

Floyd W. Simerson, a widely-known authority on administrative procedures, will conduct the seminar. Attending will be assistant directors, executive assistants, division heads and personnel in administrative positions.

The first seminar, conducted by Mr. Simerson in April at the Springfield Hotel, was attended by supervisors and chairmen of commissions. It consisted of an intensive 19-hour course of instruction.

The top-level state officials who attended this seminar have been the recipients of the benefit of their assistants and division superintendents.

Efficiency is important in the operation of state government. It is the best test of the skill of the people of Illinois.

We must continually strive

Delay On Appeals Is Preventing Driving Suspensions, Revocations

Disclosure that 30 traffic cases involving 25 individuals are on file in the local county and circuit courts indicates a need for prompt decisions on all appeals from magistrate and justice court convictions. Each delay returns to the streets a motorist who, under state law, should not be driving.

The urgency of action on the Madison county appeals is underscored by the fact that no other county outside of Cook county has such a backlog. Compared to Madison county's 30 appealed cases, Lake county has 10, Peoria eight, St. Clair three, Rock Island two and Winnebago and Kankakee, one each.

Sixteen of the Madison county appeals involve convictions on driving while intoxicated, which brings automatic revocation of driving privileges for at least a year. Four relate to reckless driving, four are for speeding, four are stop sign or signal violations and two refer to license account scores; in each of these 14 instances, three violations within a year are charged.

If the Quad-Cities are to remain safe for pedestrians of all ages, local and state traffic laws must be enforced. Any case that is appealed should be upheld or thrown out, not left dormant. If very many convictions are reversed, more complete evidence will be a necessity in future arrests.

False Emergency Calls Are Among Cruellest Of Pranks

"Pranks" can be serious, and one of the cruellest is the practice of summoning emergency help for non-existent illnesses or accidents. Unfortunately, this form of "sick" humor has caught on in the Quad-Cities in recent weeks, resulting in ambulances answering false calls.

In the most recent example, police and two ambulances raced to a block in Granite City where an elderly woman supposedly was gravely ill. They not only wasted time and energy, but were slightly delayed in answering a later call which was genuine—an ill man who needed hospital care.

It should be obvious that the practice could backfire on the caller or a member of his family—in the form of delayed emergency aid.

Reasonable Per Capita Cost In Granite City Drainage Program

Granite City is not alone in facing a drainage and pollution abatement challenge; many other cities are confronted with similar problems of major proportions.

Just a few days ago we read where Vandalia, Ill., with about one-seventh Granite City's population, is readying a \$1 1/2 million sewer bond issue. The average cost per resident is about \$21 higher.

Both bond issues are projected for four decades with provision for earlier repayment as growth provides additional revenue. Since Granite City is growing faster than Vandalia, there is a definite prospect of greater economy in the local program.

attain that degree of proficiency that allows us to provide the best possible services in the most economical manner.

It is for these reasons that I have arranged for these special courses for administrative personnel of the state.

These "Operation Improvement" seminars will be followed by other training sessions which are designed to help state personnel perform their duties to their fullest capacities and in the most efficient manner possible.

Private industry and government are striving to make a profit. There is no reason why government should be any different. Private industry, so that it can attain its objective of providing for the

Farm Column

By IRUMAN W. MAY
Madison County Farm Advisor

Dairymen have some problems maintaining the milk production of their herds during the summer. Hot weather and flies are the most frequently blamed for the late summer slump in milk production. Lack of feed and water is probably the cause on more farms than these two factors.

Increases in milk production due to temperature may occur when the mean temperature is 80 degrees or more. However, many things can be done to keep cows more comfortable. Keep them in the shade during the hottest part of the day. If cows are on pasture, arrange for them to graze during the afternoon and at night. Provide abundant supplies of cool water at all

times. Decreases of up to 20% in milk production have been reported when flies were not controlled. Flies should not be a problem on farms where good sanitation is practiced and sprays are used as recommended. Be sure to keep calf pens clean and do not allow manure to accumulate around the buildings.

The quality of forage from either grazing or green-chop is apt to be poorer in mid-summer. Unless a very carefully planned program has been followed, more mature plants will be present. As plants mature they become less palatable and less digestible. Cows consume less forage and may get insufficient amounts of nutrients.

Watch milk production. If a drop occurs, check the feeding program. Make sure the cows are obtaining all the nutrients they need before laying all the blame on hot weather and flies. It is usually necessary to supply more nutrients from grain, silage, or hay to cows on August pasture than is required by cows June pasture.

By Presidential proclamation, the 19th annual National Farm Safety Week will be observed July 22-28. Co-sponsored by the National Safety Council and the U. S. Department of Agriculture, the 1962 campaign will emphasize rural highway and farm machinery safety.

In 1960 accidents to farm residents resulted in 11,300 deaths and 960,000 disabling injuries. Of the total fatalities, 5100 were attributed to traffic, and 3300 to work accidents.

Let's use the opportunity of National Farm Safety Week to take a critical look at the way we do things. The extra margin of care will pay off.

With many county and state fair fairs coming, the next few weeks, people planning to exhibit livestock should be getting them ready for showing.

If you've ever had stock go off feed or get wild at the fair, you will realize the value of conditioning. There is a big change from the peace and quiet of the farm to the bustle of the fair. We are used to it, but animals aren't.

To keep that stock in top show condition, here are some tips from Dr. G. T. Woods of the University of Illinois College of Veterinary Medicine:

be called headliner. His sire was graded excellent, with a score of 95, and was all-American aged bull in 1954. Headliner's dam was also classified excellent and won a number of national awards.

The appears to be a year for record early crops. The wheat harvest has been completed, with most of it cut in about two weeks ahead of last year and probably the earliest den was also classified excellent and won a number of national awards.

How to figure the "extras" you get on U.S. Savings Bonds

Because U.S. Savings Bonds return you so much more than money, you may have some trouble figuring the full return.

For one thing, when you invest in U.S. Savings Bonds, you put money to work right now for your country and for the things your country stands for. Such as the defense of freedom.

When you redeem your Bonds, the Government then pays you dollars and cents interest for the privilege of having made use of your funds this way. Actually, you get back 3 3/4% more money at maturity than you put in.

The extra benefit lies in the important fact that you'll have also helped protect your freedom to enjoy the money.

When you save for a home, for example, with U.S. Savings Bonds you also help make sure there'll

Valley Forge National Historical Park

By Edward Collier

When 50,000 dogwood trees bloom at Valley Forge, more than 50,000 visitors converge on the "hushed moment" in the world's history where in 1777 General Washington and his beleaguered army endured a winter of privation.

The Valley Forge National Historical Park, which starts at Washington's headquarters, focal point of the Forge State Park, Colorado, is a 1700-acre area of historical significance. It is the site of the famous "hush" of the winter of 1777-78, when the Continental Army suffered from lack of food, shelter, and clothing.

Auto Hits Building

Mrs. Mal V. Jones, 22, of 1921 Warren avenue escaped injury when her auto hit the Gushfield University Co. building at 720 Madison avenue, Madison, at 5:20 p.m. Monday. She told police she was driving a 1951 Buick when she was struck by a truck driven by William Gushfield, 51, an operator of the firm, which was turning right on a driveway. Her car was damaged but she was not injured.

BETROTHED. Miss Nancy Jo Symcek, whose parents, Mr. and Mrs. Victor Symcek, 2054 Fourteenth street, are announcing her engagement and forthcoming marriage to Ronald J. Harshany, a son of Mr. and Mrs. John Harshany, 1646 Sixth street, Madison. The wedding is scheduled for the autumn.

Eagles Auxiliary To Hold Party At Sanatorium

Mrs. Margaret MacZura was accepted for membership by the Eagles Auxiliary at a regular meeting Tuesday evening, and an initiation ceremony will be conducted at a later date.

Mrs. Florida Batson, president, was in charge at the meeting, and plans are being completed by Mrs. Norma Hemken, tuberculosis sanatorium chairman, for a party for patients there July 17. She will be assisted by Mrs. Dottie Schuppert.

Miss Sylvia Roy and Mrs. Frances Steinman reported on the recent Illinois state convention which they attended in Joliet.

Miss Roy, who served on the credentials committee, described her duties, and Mrs. Steinman, a past state president, served as outstanding conductor at the meeting, working with the green and white-clad drill team from the Galesburg Auxiliary and an escort team from Waukegan arrived in pink formal gowns.

Next week's program is on baseball. It will be led by Rev. Alfred Bus.

'Music Under Stars' Revisits Smoky Mountain For Finale

"Smoky Mountain," an American folk opera by Eusebio Hankins which was first presented here four years ago during the "Music Under the Stars" series, will be presented again on Monday and Tuesday nights in Wilson Park by the vocal musical group as the closing offering on this summer's program.

Both presentations are scheduled at 8 p.m., will be directed by Warren Simpkins, Granite City high school vocal music instructor, and are open to the public free of charge.

As were previous "Music Under the Stars" programs, including one which attracted 3,200 persons Monday night, next week's programs will be presented on an outdoor stage near the 27th street and Delmar avenue entrance to the park.

Sponsor of the series is the Granite City park district.

Cast of Characters
Principal characters in "Smoky Mountain" include Art Nichols as Grandpa, Naomi Thomas as Aunt Sary, Howard Mason as George, Robert Stach as Andy, Frank Carroll as Ben, Beverly Jackson as Jess and Diana as Thelma as Arabella.

Supporting the soloists will be a 40-voice mixed chorus and a string ensemble, with Donald Bloomquist at the piano.

Basically the plot concerns Jess, a mountain girl who can't decide between two suitors, George and Ben. George has the yen to wander, while Ben is steady and "available," but knows he's playing second fiddle. So he plays up to Arabella, who happens to be a moonshiner's daughter.

The music consists mostly of traditional mountain folk songs which fit the plot, including "Wayfarin' Stranger," "Goin' To Boston," "Deaf Old Woman," "Look Down that Lonesome Road," "Down in the Valley," "On Top of Old Smoky," and "Red River Valley."

The "Gazebos," a local kitchen band, will entertain during intermission.

Trade, Business Adult Courses Most Popular

An educational by-product which has grown too large to be considered merely a sideline, the adult education program of the Granite City school district now operates most of the year and teaches everything from power plant operation to mortgage lending.

An annual report by Supt. Harold M. Kaiser and Administrative Assistant for Vocational and Adult Education M. A. Wittewrongel—showing a 1961-62 enrollment of 1,380, largest in Illinois outside of Chicago—lists six major divisions.

Largest of the categories, trade and industrial, enrolled 624 apprentices and journeymen who received instruction for upgrading and retraining.

Next were business education, with 339 adult students; supervisory, 185; avocational, 118; homemaking, 56; and education development, 47.

Education development was a new division in 1961-62.

Trade and industrial, during the years of 1958-59 through 1961-62, showed a steady enrollment gain, from 419 to 492, 573 and 624. Business education went from 275 to 248, 315 and 339; supervisory from 133 to 162, 160 and 195; avocational from 110 to 115, 131 and 118; and homemaking from 109 to 71, 54 and 56.

The fall term proved to be the most popular during the past year, with 771 participating. The winter-spring term enrollment was 600.

Driver training attracted the largest enrollment, 75. Close behind were industrial mathematics, with 64 students, and beginning typing, with 51.

Other courses conducted are are, sewing I and II, bookkeeping, typing II, stenography I, II and III, comptometry, blueprint reading I and II, electricity, basic electronics, radio and television I and II, sheet metal layout, machine shop, welding, heli-arc welding, patternmaking, industrial mechanics, carpentry, transit and level, electronics, applied engineering, power plant operation, industrial electricity, supervisory welding, hydraulics, education development, effective speaking for supervisors, reading improvement, industrial report writing, cost control for foremen, practical psychology, the supervisor and his job, effective management, labor management, savings and loan principles, savings account I and II, mortgage lending and accounting principles.

Regular Program
Industrial arts facilities of the school system were used during the daytime by 204 regular students in the fall and 208 during the spring semester.

A breakdown of the 208 shows 64 in vocational machine shop, 41 in related drafting, 30 in vocational drafting, 25 in vocational pattern and foundry, 25 in vocational electricity and 23 in vocational radio and television.

MRS. MANGI HONORIO
AT BIRTHDAY PARTY
A birthday celebration in the honor of Mrs. Marie Mangi was held Sunday at her home, 427 Broadway. Arrangements for the event were made by her son and daughter-in-law, Mr. and Mrs. Harry Stuchmeyer, and her daughter, Mrs. Lorraine Folsch. The honoree was presented with gifts, and a decorated cake centered the table from which refreshments were served.

Guests included the honoree's sister, Mrs. Stella Jansen, and her brother, Henry Schroeder, both of St. Louis, and many other friends and relatives.

RIFLE, PISTOL MATCHES

Friends and relatives here have received word that Cpl. Altha E. Taylor, son of Mr. and Mrs. John M. Taylor, former Venice residents who now reside in St. James, Mo., participated in the western division rifle and pistol matches held at Camp Pendleton, Calif. Men from 24 western Marine Corps bases at air stations competed in the week-long matches, which ended with an awards ceremony.

Participants fired a course which consisted of prescribed situations at the 200, 300 and 400

yard lines. Cpl. Taylor formerly attended Venice schools.

GRIL SCOUT PLAY DAY IN LEE PARK

Neighborhood One of District Four of the River Bluffs Girl Scout Council held a "play day" Tuesday in Lee Park from 10:30 a.m. to 2:30 p.m. The neighborhood chairman, Miss Dorothy Hinson, was in charge, assisted by Miss Norma Hinson.

A day of recreation was enjoyed by 88 girls as they played games, held relays and Indian dances and sang. Leaders attending were Mesdames Margaret Lee, Jackie Frizzell, Ernestine Buie, Leevechia Weston, Loretta James and Jewel Barnes.

Mr. and Mrs. Calvin Bosworth and family, 902 Third street, entertained as guests in their home Tuesday Mr. and Mrs. Edward Bain of Scott City, Mo.

HOME FROM FLORIDA

Police Magistrate and Mrs. Wesley Edwards and children Judy and Mike, returned to their home Tuesday after a vacation in Florida.

When you are preparing tomatoes an accompaniment to a main dish, you can brush the cut sides of the halved tomatoes with melted butter and broil them rapidly under the broiler, then put them in a moderate oven (a convenient waiting period) to finish the cooking.

New Madison Council Committees Approved

The Madison city council approved and confirmed permanent committee appointments Tuesday night as listed by Mayor Stephen Macrae for the fiscal year which began May 1.

The committees consist of the following aldermen:

Finance—Robert D. Reeves, Emil Ulanek and Benjamin Bosworth; streets and alleys—Christ Costoff, Booker Walton and Charles McMahan; sewers and sanitation—John Haynes, Richard George and Steve Kello; police—Raymond Kozielek, McMahan and Walton; ordinance—McMahan, Haynes and Reeves; purchasing—Ulanek, George and Costoff; health—Kello, Ulanek and Kozielek; claims—Walton, Kozielek and George; permits—Ulanek, Bosworth and Costoff; and legislative—Kozielek, Kello and Haynes.

City controller E. J. Miller and the legal department also were named to the legislative committee. The attorneys are Austin Lewis and Nick Vasiloff.

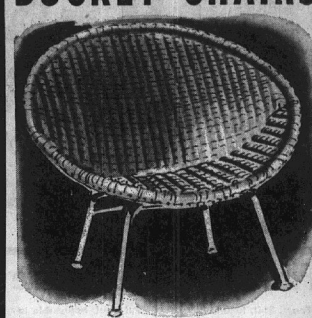

Several other appointments also were confirmed. Fred Trebing, chief of the auxiliary police, was appointed as a special policeman without pay.

Appointed as auxiliary police

officers for civil defense were Johnny D. Cohen, 21, of 1400 Madison avenue; Douglas Franklin Allen, 25, of 1335 Collinsville avenue; and Lester Baumhoyer, 22, of 1307 Alton avenue.

General Presbyter To Speak At Local Church

Rev. Allen A. Kohler, General Presbyter for the Southern Region of the Synod of Illinois, United Presbyterian Church, whose territory covers the Presbyteries of Alton, Mattoon and Southern Illinois, will preach at both the 8:30 and 11 a.m. services Sunday at First Presbyterian Church, 22nd street and Delmar avenue, in the absence of the vacationing pastor, Rev. David B. Maxton.

Rev. Kohler formerly served as pastor of churches in Mayville, Ky., McLeansboro, Ill., and Rockville and Frankfort, Ind. He has been active in youth work in both the Synod and Presbytery, and has directed many senior high conferences.

Vacation Bible School Will Open Next Week

The vacation Bible school of Grace Baptist Church, 2600 Edwards street, will open July 16 and will continue through July 27.

Classes will be held for those from three to 16 years of age.

The pastor, Rev. Clifford Moeller, together with a corps of teachers and assistants from the kindergarten through the intermediate departments, will be in charge.

Instead of the usual morning hours, the school will be held from 8:30 to 9:30 each evening.

New Health Food Store Opens In Granite City

A new Quad-City business, Triangle Health Foods, opened Monday at 2005 State street. The firm features a complete line of health foods, vitamins and home therapy equipment.

Owners of the new business are Dr. Walter E. Heidke, local chiropractor, Ralph Fricker, who will operate the store, and Robert Spengler.

Store hours are 9 a.m. to 5:30 p.m. Monday through Saturday, with the store to remain open until 9 p.m. each Friday.

Dr. Heidke said the firm is exclusive local distributor for the Jacuzzi whirlpool bath, a home therapy unit.

Mrs. Byrnes, Venice Resident 47 Years, Dies

Mrs. Maggie A. Byrnes, 78, a Venice resident for over 47 years, died of a heart ailment at 3:50 a.m. Tuesday at St. Elizabeth Hospital. She had been taken there the day before from her home at 909 Main street. She had been ill for about two years.

Mrs. Byrnes was a member of St. Mark's Catholic Church. She was born in St. Louis.

She is survived by a son, Carl, city controller of Venice; three sisters, Mrs. John (Dad) L. Hewski, Mrs. Peter (Hedwig) Wojcikowski, all of St. Louis; a brother, John Piosik, St. Louis; and one grandchild.

Her husband, John E. Byrnes, died in December 1954. Services were held this morning at St. Mark's Church.

Further information is given in today's obituary column.

Screams Rout Burglar From Home In Madison

A burglar was routed from the home of Mrs. Eula Lively, 1677 Fourth street, Madison, early Monday. It was reported to Madison police Monday afternoon.

Eugene Hargraves said he and his wife, who live in the Lively home, were awakened about 1 a.m. when they heard Mrs. Lively scream. He said they ran to the living room and turned on the lights, seeing a man descend the stairs and flee through the front door.

Mrs. Lively told police she was awakened when the man knocked a magazine and her shoes from a chair near her upstairs bedroom door, and she screamed when he failed to answer as she called to him twice.

Mr. and Mrs. Hargraves described the man as about six feet, two or three inches tall and weighing about 200 pounds, with light hair and a thin face. They said he was wearing a blue

plaid shirt and dark trousers. Madison police are investigating the incident.

A University of Illinois agricultural economist expects 1962 turkey production to total about 15 per cent less than last year, whether growers approve or reject a turkey marketing order.

SHOCKS
Degree of shock when an auto tire hits a rock or hole is increased by the square of the speed rather than in direct proportion, according to tire authorities, who say a blow received at 30 miles an hour is nine times as severe as one received at 10 miles an hour, other factors being equal.

TO THOSE WHO expressed their sympathy in so many beautiful and practical ways during our recent bereavement, we extend our heartfelt thanks. We especially want to thank the honor guard from the English Depot and Masonic Lodge No. 877.

MRS. MANCO J. FLYNN
AND FAMILY

WE DESIRE TO THANK our friends for their kind words of sympathy and floral offerings in our late bereavement in the loss of our beloved JOHN LYLE KING, 5 p.m. I thank to Rev. Crawford, singers, pallbearers, and Mercer Funeral Home.

THE KING FAMILY

WE WISH TO EXPRESS our sincere and heartfelt thanks to relatives, friends and neighbors for their expressions of sympathy, and the beautiful floral offerings, memorial contributions and masses, and all other courtesies extended to us at the time of the loss of our dear mother, mother-in-law, aunt, grandmother, and great-grandmother DIMANA GITCHO, Sp. 10, 1903, to Very Rev. Karl Antonoff, Mr. Christ Gertoff of the Podkopa, Mrs. Atchard, and the Masonic Lodge, and Ladies Aid Society, Pallbearers, and Honorary Pallbearers, and Mercer Funeral Home.

THE GITCHO FAMILIES

WE WISH TO THANK all our friends and neighbors for their kind words of sympathy and beautiful flowers during the illness and death of our father and father-in-law, HORACE EARNEY. Especially do we thank the pallbearers, Dr. Leslie Reed, the nurses, and nurses aide of the hospital and Dr. Bryant, for his comforting words and Mercer Funeral Home.

Anti-Burglary Steps During Summer Travel

Vacation-bound Quad-Cityans are being urged to leave their cars behind, but not forget entirely that they are leaving valued possessions behind them.

To encourage relaxation and freedom from worry while traveling, they can take appropriate anti-burglary precautions before leaving. Law enforcement officials point out:

- (1) Close and lock all doors including porch, basement and garage. Use pin-tumbler cylinders, der locks on outside entrances and safety latches on the windows.
- (2) Be sure all screens are fastened from the inside.
- (3) Connect lamp to an automatic timer to turn lights in the home on and off each evening.
- (4) Never leave valuables lying around; keep them in a safety deposit box.
- (5) Notify your police department when you leave home and tell them how long you will be away.
- (6) Cancel all deliveries, such as milk, laundry, cleaning, etc., while on vacation. Be sure to discontinue the newspaper delivery to have it sent to your vacation address.
- (7) Have a neighbor or your post office hold all mail until your return.
- (8) Arrange with a friend to mow the lawn and sweep the sidewalk once a week. Also, ask him if he will pick up any city letters or handbills that may be left on your porch.
- (9) Leave your shades and blinds as you normally do, close the blinds keep the sun out but also make an effective screen for the burglar.

1500 Area Farmers Hear National NFO Director

An estimated 1500 farmers from Madison, Bond, Clinton and Montgomery counties attended the meeting of the National Farmers' Organization at the Greenville fairgrounds Monday night. The NFO director, N. P. Erhardt, Flinston of Sergeant Bluffs, Iowa, head of the NFO's commodities committee, told the group how for survival of the family farm is fast becoming a national problem.

"Every farmer who wants to sign his production with the NFO to get a just and fair price or continue to produce for the market and processors and to have under the system of 'free it, is what will you give me?" he said.

Flinston said the time has come for the farmer to take care of himself as other segments of the economy have done. He said this can be done only by organizing, setting a price on commodities which allows for a profit, and holding at that price.

Next regular meeting of the Madison County NFO will be at 8 p.m. Monday at the St. Boniface school hall, Edwardsville.

How to be a Cool Hostess

Ready for a white glove inspection, your home has that cool, clean, fresh look everyone appreciates in warm weather. Slip covers, curtains and your best cotton print dress are fresh from a bath in detergent and dry chlorine bleach. A damp sponge has banished smudges from plastic table tops and spots from carpets of man-made fibers. Vinyl floorcoverings and wall-coverings are spotless after a soap and water rub-down. Fresh flower arrangements are kept fresh by dissolving one aspirin tablet in each vase of water.

Your stage is set for mid-summer entertaining. Remember the season, keep the menu light. Take advantage of the plastic packaged, pre-cleaned, garden-fresh vegetables and frozen foods to avoid tedious pre-preparations. Climax the menu with a rich, sweet, non-fattening dessert and endear yourself with guests on a sugared diet. Strawberry mousse made with saccharin—a chemical sweetener—has only 44 calories a serving. It's easy to make, too.

Ingredients: 1 envelope unflavored gelatin; 1/4 cup cold water; 1 cup boiling water; 8 (1/4 grain) saccharin tablets; 1/2 teaspoon salt; 1 pint strawberries, hulled and crushed; 4 tablespoons non-fat dry milk whipped with 1/4 cup water and 1 tablespoon lemon juice.

Directions: Soak gelatin in cold water 5 minutes. Dissolve with boiling water. Add saccharin tablets and salt then stir until thoroughly dissolved. Chill until thick as unbeaten egg white. Beat until foamy then fold in strawberries and whipped dry milk. (Dry milk should be sprinkled over the surface of the liquid then beaten.) Pour into serving dish or mold, chill until set. Yields 6 servings.

EXERCISE HELPFUL

KEEPING TRIM

Exercise alone cannot maintain good health; yet many people believe it can.

Good health, meaning that we are in the state of well-being and its accompanying energy, together with freedom from disease, is the result of a balanced diet, proper food, sufficient rest, and a normal life.

Exercise, however, is a step forward in the whole process of good healthful living. As in everything else, moderation is required in the output of physical effort. Planned exercise, carried on in moderation, keeps the body flexible and supple, builds endurance and helps produce new blood vessels.

The abdomen, for example, can be kept flat and smooth by regular bending and stretching. Too much emphasis cannot be placed on the circulation of the blood within the body, since it is this process that maintains a high level of the normal functions of the body. A chief value of exercise is to stimulate the general chemistry and physiology of the body through its effect on the circulation and on elimination of waste.

Office Worker Needs Exercise

This stimulation keeps the action of the muscles smooth and improves the coordination of nerves and muscles. That is particularly true in persons beyond twenty years of age. In young persons, exercise serves to stimulate body growth generally.

Vigorous sports can be considered useful up to age 30, but after that, over-activity should be pursued only with caution.

Many occupations offer a fair amount of exercise. Touring and the average housewife in bending and lifting are a source of good exercise. The office worker, however, usually requires some form of activity that will stimulate the blood flow and

June Daily Traffic Sets McKinley Bridge Record

Average daily traffic on the Venice-owned McKinley Bridge set a record in June for the fourth consecutive month, figures released by Bridge Manager Henry McMullen reveal.

Daily crossings averaged 13,736 last month, an increase of 255 over the previous month's record figure. Total June crossings were listed at 412,099, which fell short of the May record of 418,606 because of the shorter month.

Compared to June 1961, both the daily average and total monthly crossings show substantial increases. The daily average

Former Madison Man Charged In Chicago

Donald E. Garrett, 29, formerly of Madison, was charged this week with burglary and attempted rape in Bellwood, a suburb west of Chicago.

Police said he broke into a home there Sunday but was captured and held by the occupant and his two teenage sons. One of the boys, 17, is six feet, five inches tall and the other, 16, is six feet, three inches in height.

The three subdued Garrett, police said, tied him up with a garden hose and then stood guard over him with a kitchen knife. The screams of a 15-year-old girl aroused the family.

Garrett moved from Madison two months ago, police said, and has been living in a Chicago hotel ever since.

Madison police said Donald E. Garrett, 29, lived at 401 Second street, in 1961.

**\$1 Million Monthly
Construction In County**

County building permits for construction estimated at \$6,788,900 have been issued through the office of the county building official for the first six months of 1962, it was announced this week.

Monthly reports of the county building official, Charles E. Spenser, show the highest valued building for which a permit was issued during this period was a dormitory building at Monticello College in Godfrey. The structure is valued at over \$1,500,000.

Permits totaled 371, of which 293 were for construction of residences, 48 for additions and 29 for business or commercial

construction. The building in Godfrey is the only school building for which a permit was issued.

During the six-month period, the county netted over \$7500 in fees from the permits and an additional \$42 from sale of building code books.

May was the record month for number of permits and fees from the issuance of permits. In that month 90 permits were issued and fees totaled \$1836, more than any previous month since the office was created in June 1961.

Permits for the greatest value in buildings were issued in March.
